

## ABOUT THE CITY COUNCIL

Members of the City Council are elected from the City at large.

Candidates receiving the highest number of votes shall be declared elected until the number declared elected equals the number of Council offices to be filled at that election. All ties shall be decided by lot in the presence of the candidates concerned and under the direction of the election authorities.

**Terms of Office.** Members of the City Council shall hold office for a period of four years from and after 8:00 p.m. of the evening of the City Council Reorganization Meeting scheduled for the first Tuesday in December (following the election) and until their successors are elected and qualified, provided that any persons elected to fill a vacancy shall serve for the remainder of the unexpired term.

In the election of members of the City Council where full terms and one or more unexpired terms are to be filled, no distinction shall be made in nomination or voting between the full terms and the unexpired terms. The full terms shall be filled first and the unexpired terms last on the basis that those receiving the highest number of votes in the election at which they are elected shall successfully fill the first available offices.

**Compensation.** City Councilmembers shall receive a maximum of \$300/month.

**Mayor and Mayor Pro Tem.** Insofar as possible, each Councilmember should have a fair and equal opportunity to serve as Mayor and Mayor Pro Tem. The outgoing Mayor will follow [1] those already in the rotation and [2] first-time elected Councilmember(s). The order of the first-time elected Councilmember(s) should be based on the order of finish in the election, with the first-time elected Councilmember receiving the most votes taking the first term, the next in line taking the second, and so on. Once a Councilmember's position in the rotation is established, it does not change based upon the future order of election results. If the election is canceled, the order of the rotation of the appointed candidates will remain the same. In cases where a Councilmember's position is vacated, the position will go to the back of the order.

In accordance with this rotation, the Mayor and Mayor Pro Tem are nominated at the first Council meeting following each general election for City Council, and are selected by a vote of their peers on the Council. They serve for a one-year term. In the customary rotation, the Mayor Pro Tem is nominated to serve as Mayor at the end of the Mayor's one-year term.

The Mayor presides over the sessions of the City Council, signs official documents when the signature is required by law, and acts as official head of the City on public and ceremonial occasions.

In the absence of the Mayor, the Mayor Pro Tem performs the duties of Mayor.

**Meetings.** The City Council holds its regular meetings every second and fourth Wednesday at **6:00 p.m.** in the City Hall Council Chambers of the Civic Center located at 30001 Ladyface Court, Agoura Hills, California. The Council may hold Closed Sessions to consider any matter permitted by State law.

Special meetings of the City Council may be called and at these meetings, only specific business that has been stated can be considered.
