Table 6-10 Noise Implementation Program		2010-2011	2012-2015	2016-2035	Annual	Ongoing
1. The City shall require the preparation of a noise study during the project review and entitlement phase, as deemed necessary by the Planning and Community Development Department, for the following: (1) New residential and other noise sensitive uses (including schools, libraries, hospitals and other similar medical facilities) along the freeway corridor and major thoroughfares and near stationary noise sources; and (2) Substantial noise generating uses proposed in and near residential and other areas where there are sensitive noise receptors in the site vicinity. Such project shall comply with the recommendations of the noise study to mitigate noise levels to the extent feasible.						⊙
