Can I contact the Camp Staff during the day? The best way to get in contact with Camp Agoura Hills during the day is to contact the Agoura Hills Recreation Center at (818)597-7361. City staff will then contact the Camp Staff with your message.

What is the child to counselor ratio? The ratio for REC Club & REC Club on the GO! (ages 5-10) is 10:1.

What training do the staff/camp teachers have? The counselors/teachers are all fingerprinted, have CPR and First Aid training and at a minimum have experience in child development. Most of the staff/camp teachers work in a program with the same age children year round.

What if my child has a food allergy? Please note this information on the camp waiver and emergency form and we will make sure all the staff are aware of your child's allergy.

Can Camp Staff hold my child's money while on a trip? Camp staff will not carry camper money, and parents are urged to leave extra money at home.

Can you put sunscreen on my child for me? By law, we are not permitted to put sunscreen on your child. That said, we do not want sun-burned campers, so we will remind them in the morning and afternoon to grab their sunscreen and apply thoroughly!

My child takes special medication during the day, can you administer this? City staff cannot retain or administer any prescribed OR over-the-counter medication. If you tell us where you and your child are storing the medication, we will remind your child of his/her medical needs at the appropriate time.

Is there extended care offered? Yes, extended care is offered in the afternoon only. The latest pick-up time is 6:00pm. Extended care is offered at no cost, but does require pre-registration at least one business day before the date needed.

Please feel free to call or email us your questions and concerns. You are more than welcome to call and check on your child during the camp day and we encourage open communication with all of our participants and their families.
