

## **REPORT TO THE CITY COUNCIL**

**DATE: JUNE 28, 2006**

**TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL**

**FROM: GREG RAMIREZ, CITY MANAGER**

**BY: NATHAN HAMBURGER, ASSISTANT TO THE CITY MANAGER**

**SUBJECT: EXTENSION OF AGREEMENT WITH LOS ANGELES COUNTY TO PROVIDE PARATRANSIT (DIAL-A-RIDE) SERVICE**

---

Over the past few years, the City has had an agreement with Los Angeles County to provide general public paratransit service to the nearby unincorporated County areas. In return, Los Angeles County reimburses the City in an amount not to exceed two hundred thirty thousand dollars (\$230,000) each fiscal year.

The City will continue to provide this service through the existing Dial-A-Ride program. The service will be limited to thirteen (13) one-way rides per person over a three-month period. City staff reviews monthly invoice statements and bills Los Angeles County accordingly.

Funding is received from Los Angeles County and Ventura County, which helps operate our current Dial-A-Ride program at a minimal cost. This also allows the City to utilize earmarked transportation funds for larger Capital Improvement projects throughout our community.

A four-year extension of the agreement between Los Angeles County and the City of Agoura Hills to provide general public paratransit service for the period of July 1, 2006, through June 30, 2010 is being requested.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

### **RECOMMENDATION**

It is respectfully recommended the City Council:

Approve and sign the attached agreement between Los Angeles County and the City of Agoura Hills for general public paratransit service from July 1, 2006 through June 30, 2010.
