Las Virgenes-Malibu Regional Bicycle Master Plan

Open House Stakeholder Workshops

October 21, 2014
6:00 – 8:00 pm

Malibu City Hall
23825 Stuart Ranch Rd

October 22, 2014
6:00 – 8:30 pm

Westlake Village City Hall
31200 Oak Crest Drive

October 23, 2014
5:45 – 8:00 pm

Calabasas City Hall
100 Civic Center Way

The cities of Agoura Hills, Calabasas, Hidden Hills, Malibu, and Westlake Village are working together on an exciting project to plan for bikeways and other improvements for bicycling in the Las Virgenes-Malibu region, and we want to hear from you!

- *How can we improve bicycling in the region so you can safely and comfortably ride to shopping, school, or work?*
- *What improvements would you like to see for recreational road cycling routes?*
- *How can we make better connections to the local hiking and mountain biking trail network?*

Join your friends and neighbors at an interactive Open House workshop to learn more about the Regional Bicycle Master Plan and share your ideas and concerns with us. The three scheduled workshops are identical, so you can attend the one that is most convenient!

For more information, visit www.RegionalBikePlan.org or contact Ryan Johnson at 213-489-7443, ext. 104 or ryanjohnson@altaplanning.com.
