

REPORT TO CITY COUNCIL

DATE: JANUARY 28, 2015
TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL
FROM: GREG RAMIREZ, CITY MANAGER 
BY: NATHAN HAMBURGER, ASSISTANT CITY MANAGER 
SUBJECT: CONTRACT AWARD FOR RECREATION CENTER SENIOR AREA PROJECT

Through previous direction from the City Council and the Community Services Subcommittee, staff looked to utilize a variety of funding sources for the completion of the Recreation and Event Center Project. In order to best utilize the resources available and to get the best amenities for the public in the construction of the new Recreation and Event Center, the City decided to separate out the Senior Area Project, which will utilize existing Community Development Block Grant (CDBG) funds.

The Senior Area Project consists of the grading and construction of a concrete patio area, trellis shade structure, brise solei or sun shade components to the Senior dedicated areas of the building, and a concrete ramp connecting the Senior Patio area to the parking lot that is required to be compliant with the American with Disabilities Act (ADA).

City staff has completed a Request for Proposals process that complies with the federal requirements and regulations under the CDBG funding program and as approved by the County of Los Angeles Community Development Commission, who serves as oversight for regional CDBG programs. The process included a mandatory walk-through of the project site and conditions, in which six potential bidders were present. Two sealed formal bids were received and opened on January 15, 2015. Staff did reach out to several of the original attendees of the walk-through and were told that the contractors were not able to meet the federal requirements and declined to bid on the project.

The sealed bids received were as follows:

<u>Contractor</u>	<u>Bid Amount</u>
Malibu Pacific Tennis Courts, Inc.	\$119,000.00
Hughes General Engineering, Inc.	\$154,440.00

The apparent lowest responsive bidder was Malibu Pacific Tennis Courts, Inc. Staff has reviewed the material and labor costs and found them to be within reason based on the bid plans and specifications of a federally funded project. Staff also completed a review

of the required bid documents of the lowest responsive bidder and found them to be in compliance, along with the required bidder's bonds. Although Malibu Pacific Tennis Courts, Inc., has completed work for the City in the past, staff did check additional references with several regional agencies and received positive feedback on the work performed.

The construction management and oversight for this project will be conducted by staff, with assistance from MDG Associates, Inc. for CDBG/federal compliance requirements. MDG Associates, Inc., has valuable experience with CDBG regulations and compliance issues and has served as the City's consultant for the other CDBG funded programs, such as the First-Time Homebuyer and Housing Rehabilitation programs.

The construction portion of this project will be entirely funded from the City's CDBG Fund. The CDGB program has very specific limitations as to where and what the funds can be spent on. The Senior Area project was one of the very few projects that met the specifications. Funding for this project was anticipated and included in the approved Fiscal Year 2014-15 Budget. As consistent with other capital projects, staff would recommend a ten percent contingency be included in the agreement with Malibu Pacific Tennis Courts, Inc., to be used only as necessary.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff respectfully recommends the City Council approve the consultant services agreement with Malibu Pacific Tennis Courts, Inc.

THIS AGREEMENT is made and effective as of January 29, 2015, between the City of Agoura Hills, a municipal corporation ("City") and Malibu Pacific Tennis Courts, Inc. ("Contractor"). In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

1. TERM

This Agreement shall commence on January 29, 2015 , and shall remain and continue in effect until tasks described herein are completed, but in no event later than June 30, 2015, unless sooner terminated pursuant to the provisions of this Agreement.

2. SERVICES

Contractor shall perform the services and tasks described and set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Contractor shall complete the tasks according to the schedule of performance which is also set forth in Exhibit A.

3. PERFORMANCE

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

4. PREVAILING WAGES

A. Prevailing wages are required on all CITY agreements involving construction, design, and preconstruction phases of construction (including, but not limited to, inspection and land surveying work), and maintenance (except for janitorial or security guards) for work on CITY property.

B. The contract will be funded in whole or in part with federal housing and community development funds. The Federal Labor standards Provisions, including prevailing wage requirements of the Davis-Bacon and Related Acts will be enforced. A copy of the Federal Wage Decision applicable to this project is included in the Bid Document.

This project is a public works project in the State of California, funded in whole or in part with public funds. Therefore, the higher of the two applicable prevailing wage rates, federal or state will be enforced. The Contractor's duty to pay State prevailing wages can be found under Labor Code Section 1770 et seq. Labor Code Sections 1775 and 1777.7 outline the penalties for failure to pay prevailing wages and to employ

apprentices, including forfeitures and debarment. The State Wage Decision is on file at the City Clerk's Office, and is also available online at <http://www.dir.ca.gov/dsr/>.

5. PAYMENT

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed (\$119,000.00) one hundred nineteen thousand dollars and no cents, ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

The City Manager may approve additional work up to ten percent (10%) of the amount of the Agreement. Any additional work in excess of this amount shall be approved by the City Council.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor shall submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. If the City disputes any of Contractor's fees, it shall give written notice to Contractor within thirty (30) days of receipt of an invoice of any disputed fees set forth on the invoice. For all reimbursements authorized by this Agreement, Contractor shall provide receipts on all reimbursable expenses in excess of Fifty Dollars (\$50) in such form as approved by the Director of Finance.

6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination

of the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "PAYMENT" herein.

7. DEFAULT OF CONTRACTOR

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

8. OWNERSHIP OF DOCUMENTS

A. Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. Contractor shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to the representatives of City or its designees at reasonable times to such books and records, shall give City the right to examine and audit said books and records, shall permit City to make transcripts therefrom as necessary, and shall allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

B. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the work, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused or otherwise disposed of by the City without the permission of the Contractor. With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary

computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

9. INDEMNIFICATION

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractors in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. All duties of Contractor under this Section shall survive termination of this Agreement.

10. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

5) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the City.
