GENTLE YOGA w/ Robbi: In our modern, overly stimulating and stressful world, conscious activation of the parasympathetic nervous system is required to fully support a healthy body, mind, and immune system. WERQ is new in California and Del is one of the only instructors teaching this format in the state. No dance experience necessary and the cool down incorporates yoga and balance inspired poses.

MINDFULNESS MEDITATION: Mindfulness Meditation Classes use breath and body awareness, conscious relaxation, and Mindfulness Meditation techniques to cultivate the art of living fully in the moment. Classes feature gentle movement to prepare the body and calm the mind, and various guided meditations incorporating visualization and breath work to reach deep states of relaxation.
