

REPORT TO CITY COUNCIL

DATE: JUNE 23, 2015

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER 

BY: NATHAN HAMBURGER, ASSISTANT CITY MANAGER 

SUBJECT: REQUEST FOR RENEWAL OF PROFESSIONAL SERVICES AGREEMENT WITH THE GREATER CONEJO VALLEY CHAMBER OF COMMERCE

Since December, 2009, the City has partnered with the Greater Conejo Valley Chamber of Commerce to provide business and economic development related services. This collaboration has allowed the City to work with the Chamber of Commerce to provide much needed business resources to the doorsteps of local businesses. The Chamber has the ability to act as an arm of the City and has access to a variety of resources and other business service organizations that City staff would not be able to fully utilize on its own. Chamber of Commerce staff has also established direct contacts with local businesses that have become invaluable as the region starts to recognize an upswing from a period of economic recession. The Chamber of Commerce has proven to be a reliable partner on business related issues and programs which allow City staff to focus on providing other vital services to the community at large.

The Greater Conejo Chamber of Commerce has over 1,000 members and continues to serve the communities of Agoura Hills, Thousand Oaks, Newbury Park and Westlake Village. The Chamber is one of only five 5-star Chambers in the State of California and is accredited by the U.S. Chamber of Commerce. The executive board encompasses representatives from many different business sectors; including at-large members representing Agoura Hills. As more Agoura Hills businesses become involved with the Chamber, this number will continue to grow. The Chamber has made a commitment to maintain a strong presence within the local business community, which will continue through several avenues. Over the past six years, the Chamber has held a variety of events in the community; including business mixers, Emerging Leaders Program events, training programs, a Regional Economic Forecast, promoting new businesses through grand opening and ribbon cutting events and providing services through the Conejo Senior Resource Network. The Chamber has also done a great job of ingraining itself into the various community events sponsored by the City such as the Great Race of Agoura Hills and Reyes Adobe Days. The Chamber continues to play an active role in helping to promote and support local schools and public safety officials as well.

In the past, the Chamber had provided several services beyond the basic scope of work for the City, on an as needed basis. These services have now been provided on a regular basis throughout the term of the existing agreement and the Chamber has exceeded the expectations of staff. Thus, these services are being proposed to be included as the updated scope of work for the proposed agreement under consideration by the City Council. These added services include the planning and implementation of the annual State of the City event, preparation of a retail census report and providing specific outreach to targeted business sectors. The proposed agreement renewal would cover a two-year time period with an option for one additional year.

The Chamber of Commerce is respectfully requesting an increase in the contract amount of \$12,500, which would bring the annual cost for services to \$67,500. As costs have increased over the past six years, the Chamber held contract costs to the original contract amount in an effort to insure that they demonstrated their worth to the City and the business community. With the success of the programs offered through the Chamber of Commerce and with a focus on expanding and implementing further business related services, the Chamber has expressed the need to ask for the proposed increase to insure the continuation of this growth. In addition, the Chamber of Commerce continues to provide a variety of services and assistance as well as allowing attendance at Chamber events to non-member businesses within Agoura Hills. Based on the fact that Agoura Hills has a larger percentage of its businesses being smaller in size, this is of significant value. The Land Use and Economic Development Committee met with the Chamber staff to discuss the agreement and the proposed increase in cost and is recommending approval with the cost being held at this new level for the entirety of the agreement being presented.

Funding for this agreement is currently budgeted in the proposed Fiscal Year 2015-16 General Fund budget allocated for Economic Development programs. Although the Chamber staff has done an amazing job partnering with regional hoteliers and other partners in the implementation of the Conejo Valley Tourism Improvement District, these services are covered via a separate agreement and are paid for directly from the revenue generated from the district members.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

It is recommended the City Council approve the professional services agreement with the Greater Conejo Chamber of Commerce.
