

REPORT TO CITY COUNCIL

DATE: JANUARY 13, 2016

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER 

BY: RAMIRO ADEVA, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER 

SUBJECT: APPROVAL OF A CONTRACTOR SERVICES AGREEMENT WITH EXCEL PAVING COMPANY FOR ON-CALL EMERGENCY SERVICES

Since April 2011, Burns Pacific Construction (Burns Pacific), Inc., has provided public works maintenance services for the City of Agoura Hills. As part of their contract they provide emergency services, which include, but are not limited to, the following:

- Pavement and concrete repair
- Storm clean-up
- Mud/Landslide clean-up
- Placement of traffic barricades
- Traffic control
- Slope restoration

While Burns Pacific is expected to provide the necessary emergency services, staff felt with the predicted El Niño storm season approaching, it would be prudent and beneficial to have a back-up on-call contractor in place, should additional resources be required. It should be noted, while this agreement is part of the City's El Niño preparation efforts, these services would also apply to other emergencies, such as fires, earthquakes, etc.

On October 22, 2015, the City received one (1) proposal from Oakridge Landscape, Inc. Due to the lack of competing submittals, staff felt it was in the best interest of the City to solicit proposals a second time, and ensure qualified contractors in the area were made aware of this request for services. On December 15, 2015, the City received four (4) proposals from Oakridge Landscape, Hardy & Harper, Cedro Construction, and Excel Paving Company. Staff reviewed and evaluated the proposals, and unanimously determined that Excel Paving Company was the most experienced and qualified for this contract. Excel Paving Company previously worked for the City on the Agoura Road Bike Lane Improvement Project (Phase II), as well as four (4) annual resurfacing projects since 2006, with favorable results.

There are sufficient funds appropriated in the FY 2015/16 budget to cover the costs for these services through the remainder of the fiscal year. In some cases, emergency costs may be reimbursable, depending on the nature and severity of the event. The term of the agreement would begin immediately if authorization is approved, and would expire June 30, 2019, and can be extended for a maximum of two years, upon mutual

agreement between the City and contractor. Prices may be increased or decreased annually by a percentage determined from the California Consumer Price Index.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff respectfully recommends the City Council:

1. Approve the contractor services agreement with Excel Paving Company.
2. Authorize the Mayor to sign the agreement on behalf of the City Council.

Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance.
