Park Needs Assessment Overview - Purpose

- The purpose of the Park Needs Assessment is to conduct a comprehensive assessment of the park and recreation needs and opportunities in Los Angeles County

What This Workshop Is:

- A chance to learn about park assets and needs in our community
- A chance to let the County know which park projects are most important to our community
- A chance to inform potential future County-wide park funding decisions
- A chance to contribute to future County-wide park planning decisions

Outcome Of This Workshop

1. Understanding of the park assets in our community
2. Understanding of the park needs in our community
3. A list of 10 priority park and recreation projects in our community:
 - Repairs to existing parks
 - Addition of amenities to existing parks
 - Creation of new parks or specialty amenities

Workshop Goals

- Look at existing facilities
- Offer different viewpoints
- Stay focused on the task at hand and share ideas with others
- Develop a list of park needs with community input
