**SUBJECT:** AUTHORIZATION TO SEEK BIDS FOR LADYFACE COURT IMPROVEMENTS PROJECT; NIB 16-01

---

Staff is requesting authorization to seek bids for the Ladyface Court Improvements Project; NIB 16-01. The scope of work consists of constructing approximately 540 linear feet of sidewalk along Ladyface Court, from the City Hall parking lot entrance to the Recreation and Event Center Driveway. In addition, a 30-foot diameter raised traffic circle is proposed to ensure the safety of vehicles entering and exiting the properties at the top of the cul-de-sac. Other associated work includes replacing a portion of curb and gutter to accommodate the new sidewalk, as well as adding irrigation, electrical, and landscaping to the raised circle. A project exhibit is attached.

The adopted FY 2015/16 Budget includes \$150,000 from the General Fund for the construction of this project. Staff expects to return to Council in April for the contract award and commence construction shortly thereafter.

**RECOMMENDATION**

Staff respectfully recommends the City Council approve the authorization to seek bids for the Ladyface Court Improvements Project; NIB 16-01.
