

CONSTRUCTION ACTIVITIES ON KANAN ROAD

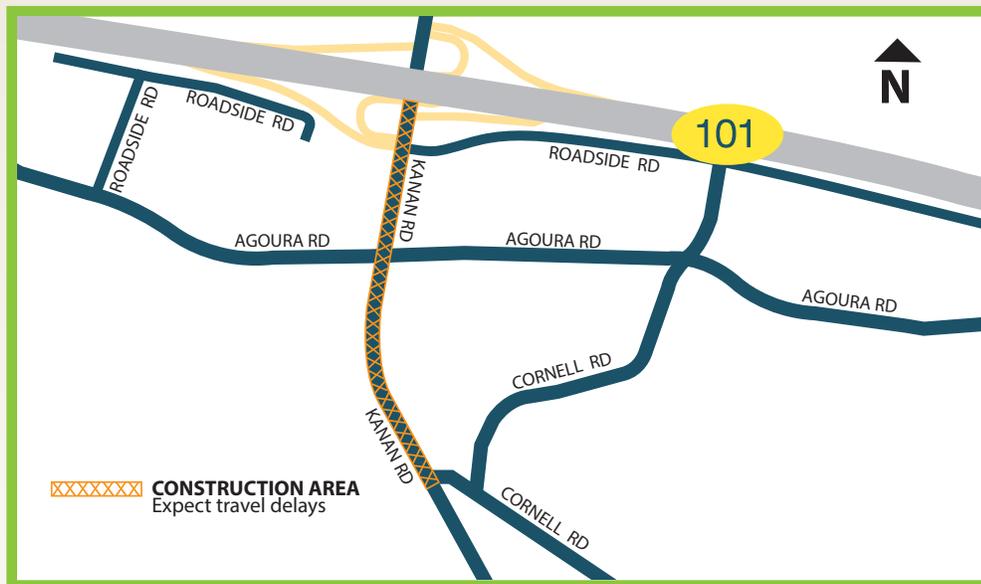

Expect Travel Delays between US 101 and Cornell Road

In late-August and September, general construction will be ongoing on Kanan Road, between US 101 and Cornell Road.

Construction activities include:

- Roadway and pavement improvements
- Construction of medians on Kanan Road
- Curb and gutter construction
- Installation of a reclaimed water pipeline at the Kanan / Agoura intersection

During construction activities on Kanan Road, motorists and cyclists should plan for travel delays through the area and allow additional time to reach their destinations. Traffic control measures will be in place, however, motorists and cyclists are advised to use alternate routes.

What: Construction activities on Kanan Road, between US 101 and Cornell Road

When: Late-August through September 2016, 7 a.m. to 4 p.m., Monday through Friday

Why: As part of the Agoura Road Widening Project, construction activities will be ongoing on Kanan Road through September 2016. Crews will be working on Kanan Road to improve travel for motorists, cyclists and pedestrians.

Please be advised, dates and times are subject to change due to inclement weather and other unforeseen operational factors.
