

## REPORT TO CITY COUNCIL

**DATE:** SEPTEMBER 14, 2016

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** GREG RAMIREZ, CITY MANAGER 

**BY:** RAMIRO ADEVA, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER 

**SUBJECT:** NOTICE OF COMPLETION FOR THE STORM DRAIN CONNECTOR PIPE SCREEN AND CATCH BASIN INLET FILTER INSTALLATION PROJECT; NIB 16-02

---

On April 13, 2016, the City Council authorized the contract award for the Storm Drain Connector Pipe Screen (CPS) and Catch Basin Inlet Filter Installation Project; NIB 16-02 to United Storm Water, Inc., in the amount of \$267,217. The scope of work consisted of retrofitting 193 catch basins with connector pipe screens and filters in order to meet the fourth phase of compliance requirements listed in the Total Maximum Daily Load (TMDL) for trash in the Malibu Creek Watershed. Including the completion of this project, the City has successfully retrofitted 417 catch basins out of an approximate total of 600 catch basins citywide.

Due to a reduction in the actual quantity of materials required to complete the work, the construction costs were reduced by \$14,451, thus making the adjusted construction contract amount \$252,766.

During the project, thirty (30) existing catch basins were retrofitted as part of the Agoura Road Widening Project resulting in two (2) change orders in the amount of \$31,004. The following is a breakdown of the costs associated with each change order:

1. Install connector pipe screens and filters in 17 new catch basins. \$17,340.
2. Install connector pipe screens and filters in 13 existing catch basins. \$13,664.

These change orders resulted in a revised project total cost of \$283,770. The bulk of the project was completed in FY 2015-16, and was funded through a combination of a grant in the amount of \$125,000 from the Los Angeles County Regional Park and Open Space District, and appropriated matching funds in the FY 2015/16 budget. The change order work was completed in FY 16-17, and was paid with Measure R funds as part of the Agoura Road Widening project.

The work was performed to the satisfaction of staff, and is expected to serve the community well for many years to come.

## **RECOMMENDATION**

Staff respectfully recommends the City Council:

1. Approve and accept as complete the work of United Storm Water, Inc., for the Storm Drain Connector Pipe Screen and Catch Basin Inlet Filter Installation Project; NIB 16-02.
2. Authorize the Director of Public Works/City Engineer to sign the Notice of Completion for the project and authorize the City Clerk to forward the Notice of Completion to the County Recorder for recordation.

(Date) (City, County, & State)

Ramiro S. Adeva III, P.E.

(Personal signature of the individual who is swearing that the contents of the Notice of Completion is true.)

**DO NOT RECORD**

**REQUIREMENTS AS TO NOTICE OF COMPLETION**

Notice of Completion must be filed for record WITHIN 10 DAYS after completion of the work of improvement (to be computed exclusive of the day of completion) as provided in Civil Code Section 3093.

The "owner" who must file for record a Notice of Completion of a building or other work of improvement means the owner (or his successor in-interest at the date the notice is filed) on whose behalf the work was done, though his ownership is less than the fee title. For example, if A is the owner in fee, and B, lessee under a lease, causes a building to be constructed, then B, or whoever has succeeded to his interest at the date the notice is filed, must file the notice.

If the ownership is in two or more persons as joint tenants or tenants in common, the notice may be signed by any one of the co-owners (in fact, the foregoing form is designed for giving of the notice by only one co-tenant), but the names and addresses of the other co-owners must be stated in paragraph 5 of the form.

Note that any Notice of Completion signed by a successor in interest shall recite the names and addresses of his transferor or transferors.

In paragraphs 3, 5 and 6, the full address called for should include street number, city, county and state.

As to paragraphs 7 and 8, this form should be used only where the Notice of Completion covers the work of improvement as a whole. If the notice is to be given only of completion of a particular contract, where the work of improvement is made pursuant to two or more original contracts, then this form must be modified as follows: (1) Strike the words "A work of improvement" from paragraph 7 and insert a general statement of the kind of work done or materials furnished pursuant to such contract (e.g., "The foundation for the improvements"); (2) Insert the name of the contractor under the particular contract in paragraph 8.

In paragraph 8 of the notice, insert the name of the contractor for the work of improvement as a whole. No contractor's name need be given if there is no general contractor, e.g. on so-called owner-builder jobs."

In paragraph 9, insert the full, legal description, not merely a street address or tax description. Refer to deed or policy of title insurance. If the space provided for description is not sufficient, a rider may be attached.

In paragraph 10, show the street address, if any, assigned to the property by any competent public or governmental authority.

Before you use this form, fill in all blanks, and make whatever changes are appropriate and necessary to your particular transaction. Consult a lawyer if you doubt the form's fitness for your purpose and use.
