

REPORT TO CITY COUNCIL

DATE: JANUARY 11, 2006

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

BY: KEN BERKMAN, CITY ENGINEER

**SUBJECT: APPROVE RESOLUTION NO. 06-1400, AUTHORIZING THE CITY
MANAGER TO EXECUTE COOPERATIVE AGREEMENT, DISTRICT
AGREEMENT NO. 07-4679, WITH THE STATE OF CALIFORNIA FOR
THE REYES ADOBE ROAD BRIDGE WIDENING PROJECT**

As part of the City's Capital Improvement Program, City Council directed staff to upgrade the Reyes Adobe Road Interchange to relieve traffic congestion. To do so, the State of California requires the City enter into a Cooperative Agreement (CA) prior to commencing construction. The CA outlines the responsibility of each agency to ensure the completion of the project.

The CA between the City and the State for the Reyes Adobe Road Bridge Widening Project is ready for execution by the City. The CA has been reviewed for completeness and approved by the City Attorney's office. As such, staff is requesting the City Council authorize the City Manager to execute the attached Cooperative Agreement (District Agreement No. 07-4679) with the State of California in order to complete the construction for the subject project. The CA is required as a part of the approval process for the Project Report, which is expected to be executed by the State this month.

RECOMMENDATION

Staff respectfully recommends the City Council:

1. Approve Resolution No. 06-1400, authorizing the City Manager to execute Cooperative Agreement, District Agreement No. 07-4679, with the State of California for the Reyes Adobe Road Bridge Widening Project;
