

REPORT TO CITY COUNCIL

DATE: OCTOBER 26, 2016

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER 

BY: LOUIS CELAYA, DEPUTY CITY MANAGER 

SUBJECT: REQUEST FOR APPROVAL OF AN AGREEMENT FOR CONTRACTOR SERVICES, WITH PEAK SURVEYS INC., FOR SURVEYING AND LEGAL DESCRIPTION PREPARATION SERVICES FOR THE REYES ADOBE LANDSCAPE MAINTENANCE PROJECT

On June 22, 2016, the City Council approved Resolution No. 16-1685, authorizing the City Manager to negotiate and execute agreements with property owners for landscape maintenance of the parcels along Reyes Adobe Road from the Cedarhaven Drive and Jon Dodson Drive residences, for the purpose continuing the City's beautification efforts throughout the City.

Since this time, City staff and the City Attorney have completed the development of a Landscape Maintenance Agreement, which was forwarded to 49 property owners for review. To date, City staff has received notifications from 19 property owners who are prepared to sign the maintenance agreement and move forward with this project. At the June 22nd meeting, the City Council was advised that the cost associated with the preparation of legal descriptions for the agreement exhibits was preliminary estimated at \$15,000. Subsequently, more indepth discussions with surveying firms reveal additional work that would be needed in order to prepare the legal descriptions for the agreement exhibits. The additional work (i.e., field mapping and identification of future easement areas, aerial mapping/ground verification, property line calculations and legal exhibit preparation, etc.) is required in order to ensure the preparation of accurate legal descriptions.

City staff solicited several firms for cost estimates for surveying services and received the following responses for total cost associated with performance of the work:

Firm	Total Cost
Peak Surveys Inc.	\$36,700
Kimley-Horn	\$36,320

Assumes 49 eligible parcels

As both estimates are within the same total cost range, staff is recommending an agreement be entered into with Peak Surveys Inc. (Peak). Peak has performed some

surveying work in the same area for projects connected with the Las Virgenes Municipal Water District, so some basic ground work and mapping has already been completed, and would only require the additional work needed for this project. Additionally, Peak has been used by the City for past public works projects to staff's satisfaction.

Legal description preparation for the agreement exhibits are being assessed at \$500 per parcel. At the current number of responsive properties (19), this would equate to \$9,500 to an estimated \$24,500 for all 49 properties. This number could be reduced if some property owners ultimately decide to not proceed.

The attached agreement calls for a twenty (20) month contract term, which would conclude on June 30, 2018, thus affording the City substantial time to address those properties that may elect to wait for a while prior to proceeding. As the current fiscal year budget did not include the cost for surveying and legal description preparation services, should the City Council elect to continue to move forward with this beautification project, the Council will need to also authorize the expenditure from the General Fund.

Should the City Council approve the agreement with Peak, staff will proceed with contacting those responsive of the upcoming survey work, and continue to reach out to those non-responsive property owners to solicit responses.

RECOMMENDATION

Staff respectfully recommends the City Council:

- 1) Approve the Agreement for Contractor Services with Peak Surveys Inc. for surveying and legal description preparation services for the Reyes Adobe Landscape Maintenance Project; and,
- 2) Authorize the expenditure of \$36,700 from the General Fund.

Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise.
