

REPORT TO CITY COUNCIL

DATE: DECEMBER 14, 2016

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER 

BY: RAMIRO ADEVA, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER 

SUBJECT: ADOPT RESOLUTION NO. 16-1829, APPROVING THE INSTALLATION OF "NO PARKING ANYTIME" SIGNS TO RESTRICT PARKING FOR APPROXIMATELY 311 FEET ON THE SOUTH SIDE OF DRIVER AVENUE, WEST OF COLODNY DRIVE (SOUTH)

Public safety concerns have recently been expressed by residents regarding vehicles that have been parking along a curved portion of Driver Avenue, just west of Colodny Drive (south). The parked vehicles are obstructing the visibility of motorists wishing to make a left turn onto Colodny Drive (north). In addition, vehicles traveling eastbound on Driver Avenue are frequently crossing the double yellow line into opposing traffic as a result of the parked vehicles.

After completing a site visit to review the field conditions, the City's Traffic Engineer recommends installing "No Parking Anytime" signs along the south side of Driver Avenue, beginning at Colodny Drive (south) to the end of the existing curb and gutter, which is approximately 311 feet to the west. This will ensure that parked cars are not obstructing the views of motorists, and that the safety of drivers, in both directions, are protected in this area.

With City Council approval, signs would be installed by the City's Public Works Contractor within a couple weeks. In addition, the Lost Hills Sheriff's Traffic Division will be notified of the changes in order to enforce the new restrictions.

RECOMMENDATION

Staff respectfully recommends the City Council adopt Resolution No. 16-1829, approving the installation of "No Parking Anytime" signs to restrict parking for approximately 311 feet on the south side of Driver Avenue, west of Colodny Drive (south).
