

## REPORT TO CITY COUNCIL

**DATE:** FEBRUARY 22, 2017  
**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL  
**FROM:** GREG RAMIREZ, CITY MANAGER   
**BY:** LOUIS CELAYA, DEPUTY CITY MANAGER   
**SUBJECT:** CONTRACT AWARD FOR CIVIC CENTER COOLING TOWER  
INSTALLATION - WEST COAST AIR CONDITIONING

---

During the FY 2016-17 budget workshop, staff identified the need to replace the Civic Center cooling tower as a result of extensive equipment wear and tear and the end of the unit's useful life. This was identified after equipment review was done in 2016, and confirmed during routine maintenance inspections. The cooling tower is a major component of the heat and air conditioning system, which is used to cool down water that has been heated due to air-conditioning condensate. City staff budgeted for its replacement for Fiscal Year 2016-17.

City staff solicited four companies specializing in water tower cooler installation and start up and received four proposals back. The results were as follows:

<b>West Coast Air Conditioning</b>	<b>\$61,225.00</b>
Retrofit Technologies Inc.	\$70,991.00
RAM Air Engineering	\$72,168.31

It should be noted that while four companies proposed costs, staff deemed one company's proposal incomplete, as it did not include cost for start-up and checking of the system once the cooling tower was installed. Staff reviewed the remaining proposals submitted and concluded that West Coast Air Conditioning was the most responsive to the request, and best met the needs for the City. West Coast Air has been the City's heating and air conditioning service and maintenance contractor for many years, and is thoroughly knowledgeable of the Civic Center HVAC systems. Funding has been budgeted for FY 2016-17 and is available under the Public Facilities Fund.

Should the City Council award the contract, staff will begin the coordination of work needed to commence the installation.

### RECOMMENDATION

Staff respectfully recommends the City Council award the contract for the Civic Center Cooling Tower installation to West Coast Air Conditioning in the amount of \$61,225.00.

**3. PERFORMANCE**

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

**4. PREVAILING WAGES**

A. Prevailing wages are required on all CITY agreements involving construction, design, and preconstruction phases of construction (including, but not limited to, inspection and land surveying work), and maintenance (except for janitorial or security guards) for work on CITY property.

B. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute by this Contractor from the Director of the Department of Industrial Relations. Copies may be obtained from the California Department of Industrial Relations Internet website at <http://www.dir.ca.gov>. Contractor shall provide a copy of prevailing wage rates to any staff or sub-contractor hired, and shall pay the adopted prevailing wage rates as a minimum. Contractor shall comply with the provisions of Sections 1773.8, 1775, 1776, 1777.5, 1777.6, and 1813 of the Labor Code. Pursuant to the provisions of 1775 of the Labor Code, Contractor shall forfeit to the City, as a penalty, the sum of \$50.00 for each calendar day, or portion thereof, for each laborer, worker, or mechanic employed, paid less than the stipulated prevailing rates for any work

**5. PAYMENT**

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed Sixty One Thousand Two Hundred Twenty Five Dollars and Zero Cents (\$61,225.00) ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

The City Manager may approve additional work up to ten percent (10%) of the amount of the Agreement. Any additional work in excess of this amount shall be approved by the City Council.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor shall submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. For all reimbursements authorized by this Agreement, Contractor shall provide receipts on all reimbursable expenses in excess of Fifty Dollars (\$50) in such form as approved by the Director of Finance.

**6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE**

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of

the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "PAYMENT" herein.

## **7. DEFAULT OF CONTRACTOR**

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

## **9. INDEMNIFICATION**

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractors in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.
