

Agoura Road Widening – Fiber Optic Project
C-Mail Alert
Week of March 6, 2017

Project Update for Week of March 6, 2017

The installation of Fiber Optic in the parkway along the north side of Agoura Road, between Westerly City Limits to Cornell, is starting construction this week. Work will start just east of Reyes Adobe and continue westerly to the City Limits.

The westbound right lane and bike lane will be closed during construction hours. All driveways and accesses to businesses will remain open during construction.

Please note: Throughout the project, there may be temporary lane closures and flagmen due to construction activities encroaching into travel lanes; please expect minor delays.

For More Information

Regular project updates will be sent directly to your email through the City's C-Mail. You can also receive project updates on Twitter, @cityagourahills. For more information, contact the City of Agoura Hills Public Works Department at (818) 597-7356.
