Reality Party for Parents

Exposing today's
teen party culture

Facing reality

Many adults feel drinking and partying are a rite of passage and think teen parties are the same as when they were young. Straight Up youth want parents to face the current realities and learn why and how we need adults to help change these dangerous social norms.

What you will see

Reality Parties are open to the public (adults only) and are FREE. Participants will tour an area set up to portray a teen party with youth actors voicing concerns expressed by local teens and young adults.
