

## REPORT TO CITY COUNCIL

**DATE:** SEPTEMBER 27, 2017

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** GREG RAMIREZ, CITY MANAGER 

**BY:** RAMIRO ADEVA, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER 

**SUBJECT:** AWARD OF CONTRACT TO MICHAEL BAKER INTERNATIONAL FOR ENGINEERING DESIGN SERVICES FOR THE PROJECT STUDY REPORT/PROJECT DEVELOPMENT SUPPORT (PSR/PDS) FOR THE KANAN CORRIDOR SAFETY, OPERATIONS, AND CAPACITY ENHANCEMENT PROJECT

---

This report seeks City Council approval to enter into a consultant services agreement with Michael Baker International for engineering design services for the Project Study Report/Project Development Support (PSR/PDS) for the Kanan Road Corridor project, between Thousand Oaks Boulevard and Agoura Road (Project). Kanan Road is one of the most highly traveled roadways in all of the Conejo Valley. Carrying upwards of 40,000 vehicles per day in some areas, the Kanan Corridor presents daily safety and operational challenges for motorists from both Los Angeles County and Ventura County, and has a direct impact to the conveyance of traffic to and from the U.S. 101 mainline. This contract will provide the first analysis phase of the Caltrans process.

On June 14, 2017, the City Council authorized staff to solicit proposals. On August 9, 2017, the City received proposals from four (4) prospective firms: Kimley-Horn and Associates, Inc., KOA Corporation, Michael Baker International, and Parsons Transportation Group, Inc.

A selection committee was formed, comprised of City personnel and other local agency personnel, which included one person from Caltrans District 7. After the committee reviewed and evaluated the proposals, staff determined that Kimley-Horn and Associates, Inc., Michael Baker International, and Parsons would be invited back for the oral interview process.

Oral interviews were conducted by the selection committee on August 31, 2017, with the three selected firms. Michael Baker International was selected by the committee as the most experienced and qualified firm for the Project. Michael Baker has an exceptional reputation in the industry and received excellent recommendations from both Caltrans and other cities.

Although cost was not a scoring criteria considered when deciding on the best qualified firm to complete the PSR/PDS, the following is a summary of the cost proposals for reference:

FIRM	COST
Michael Baker International	\$334,500.00
Parsons Transportation Group, Inc.	\$446,545.00
Kimley Horn and Associates, Inc.	\$751,562.00

The cost of this contract will be covered 100% by Measure R.

The PSR/PDS phase of the Project is anticipated to take approximately fifteen (15) months to complete, with an estimated completion date of January 2019. The scope of work for the project will include evaluating capacity enhancement alternatives at the interchange on and off-ramps, signal-timing modifications, lane reconfigurations, structural analysis and mitigation for roadway sections in danger of failing in the future, as well as infrastructure modifications to ensure the safe transport of bicyclists and pedestrians is preserved.

### **RECOMMENDATION**

Staff respectfully recommends the City Council:

1. Award the contract to Michael Baker International; and
2. Approve the consultant services agreement with Michael Baker International; and
3. Authorize the Mayor to sign the agreement on behalf of the City Council.

Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to Section entitled "PAYMENT" herein.

## **6. DEFAULT OF CONSULTANT**

A. The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Consultant with written notice of the default. The Consultant shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. Consultant shall defend Indemnitees in any action or actions filed in connection with any such Damages with counsel of City's choice, and shall pay all costs and expenses, including all attorneys' fees and experts' costs actually incurred in connection with such defense. Consultant's duty to defend pursuant to this Section 8.b. shall apply independent of any prior, concurrent or subsequent misconduct, negligent acts, errors or omissions of Indemnitees.

## **9. INSURANCE REQUIREMENTS**

Prior to commencement of work, Consultant shall procure, provide, and maintain, at Consultant's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.
