

"Gateway to the Santa Monica Mountains National Recreation Area"

February 15, 2018

Dear Potential Sponsor:

The City of Agoura Hills, in its efforts to improve the quality of life for our City, will be hosting our annual Community Service Day to be held on Saturday, May 5, 2018.

The goal of Community Service Days is to organize volunteers to work on community service projects that have been identified to beautify the City. Parks, streets and school locations have been identified as possible project locations. Each location will have a full team of volunteers that are assigned to complete each project on this day.

The City of Agoura Hills welcomes your support of Community Service Days and looks forward to a successful day. Our goal is to raise \$5,000 to help offset the cost of this program. As a sponsor, your business/organization will be included in the publicity material as well as be on the volunteer shirt distributed to the 300 plus volunteers on the day of the event. Please fill out the enclosed form and mail it back with your donation. If you have any questions, please feel free to call Nick Newkirk, Recreation Supervisor, at the Agoura Hills Recreation Center at (818) 597-7361. For your information, the City's tax I.D. is # 95-3797990

Thank you for your support. We look forward to working with you!

Sincerely,

Nick Newkirk
Recreation Supervisor
