

REPORT TO CITY COUNCIL

DATE: MAY 23, 2018

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

BY: NATHAN HAMBURGER, ASSISTANT CITY MANAGER *NH*
JOHN TREICHLER ADMINISTRATIVE AIDE *JTB*

SUBJECT: APPROVAL OF A CONSULTANT SERVICES AGREEMENT WITH SOLID WASTE SOLUTIONS, INC. / CITY PERMIT SERVICES TO PROVIDE FILM PERMIT PROCESSING SERVICES

Staff is requesting the City Council approve a consultant services agreement with Solid Waste Solutions Inc. / City Permit Services (SWS) to process film permits on behalf of the City.

SWS has been the City's full-service film permit consultant since October of 2015. Since that time, they have handled all applications, processing of film permits, including monitoring and implementing the City of Agoura Hills approved and updated Film Permit Requirements and Administrative Procedures, including an updated fee schedule that was implemented in August of 2017.

They have been managing the film permit process for other agencies in the surrounding areas, including Calabasas, and Malibu, for over 20 years and have worked with the City separately on its solid waste agreements and authorized haulers process. They have also established relationships with the outside agencies needed for film permit reviews specifically Los Angeles County Sheriff and Fire and have been able to help expedite the pressure to complete the processing of permits.

SWS would continue to serve as the City's full-service film permit office and their website allows for applications to be completed and submitted electronically or in person, through their office in Thousand Oaks. In addition, the coordination of any special requests related to parking, filming or photography on public right-of-way, and monitoring will be handled through SWS and City Manager's Department staff, as necessary. The proposed agreement is for a three-year term, with the option of extending the contract for two-one year terms in order to provide a reasonable timeline to review these services and their effectiveness.

After reviewing other public agencies' policies and discussions with SWS, it is proposed that a revenue-sharing formula that currently is in place be used for the payment of these services. The full- service film office, and all associated activities conducted by SWS, would be compensated 75% of the permit revenue, and the remainder would be paid to the City for oversight, any necessary coordination with SWS regarding film

permits, and related conditions of approval. The proposed contract is for a not-to-exceed amount of \$28,500.00 (Twenty-Eight Thousand Five Hundred Dollars and Zero Cents). In addition, City staff will work with SWS, as needed, to insure compliance with State laws and current industry trends and will bring any further proposed changes before the appropriate committees and City Council for review.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff respectfully recommends the City Council approve the Consultant Services Agreement with Solid Waste Solutions, Inc. / City Permit Services to provide film permit processing services.

THE CITY OF AGOURA HILLS AND SOLID WASTE
SOLUTIONS, INC.**

THIS AGREEMENT is made and effective as of July 1, 2018, between the City of Agoura Hills, a municipal corporation ("City") and Solid Waste Solutions, Inc. ("Contractor"). In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

1. TERM

This Agreement shall commence on July 1, 2018, and shall remain and continue in effect until tasks described herein are completed, but in no event later than June 30, 2021, unless sooner terminated pursuant to the provisions of this Agreement.

The City may, at its option, extend this Agreement for two additional terms of one year upon providing written notice of its intent to extend this Agreement to the Contractor not less than thirty (30) days prior to the expiration of the initial Term. Such extension shall be at the same price and conditions as set forth herein.

2. SERVICES

Contractor shall perform the services and tasks described and set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Contractor shall complete the tasks according to the schedule of performance which is also set forth in Exhibit A.

3. PERFORMANCE

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

4. PAYMENT

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed twenty-eight thousand five hundred dollars and zero cents (\$28,500.00) ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the

amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor shall submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. If the City disputes any of Contractor's fees, it shall give written notice to Contractor within thirty (30) days of receipt of an invoice of any disputed fees set forth on the invoice. For all reimbursements authorized by this Agreement, Contractor shall provide receipts on all reimbursable expenses in excess of Fifty Dollars (\$50) in such form as approved by the Director of Finance.

5. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "PAYMENT" herein.

6. DEFAULT OF CONTRACTOR

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

7. OWNERSHIP OF DOCUMENTS

A. Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. Contractor shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to the representatives of City or its designees at reasonable times to such books and records, shall give City the right to examine and audit said books and records, shall permit City to make transcripts therefrom as necessary, and shall allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

B. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the work, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused or otherwise disposed of by the City without the permission of the Contractor. With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

8. INDEMNIFICATION

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractors in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. All duties of Contractor under this Section shall survive termination of this Agreement.

9. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. Contractor is and shall at all times remain as to the City a wholly independent contractor. The personnel performing the services under this Agreement on behalf of Contractor shall at all times be under Contractor's exclusive direction and control. Contractor shall not at any time or in any manner represent that it or any of its officers, employees or agents are in any manner officers, employees or agents of the City. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner.
