

REPORT TO CITY COUNCIL

DATE: JANUARY 9, 2019

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER 

BY: CHRISTY PINUELAS, DIRECTOR OF FINANCE 

SUBJECT: RECEIVE AND FILE THE CITY OF AGOURA HILLS COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2018

The citywide annual audit was performed by Lance, Soll & Lunghard, LLP, Certified Public Accountants for the FY 2017-18. All reports and letters have been attached for your review.

The Finance Committee met prior to the meeting to review the information with the auditors. The reports are presented to the City Council as a receive and file item and no further action is required.

RECOMMENDATION

It is recommended the City Council receive and file the 2017-18 Comprehensive Annual Financial Report.

Attachment: 2017-18 Comprehensive Annual Financial Report

December 14, 2018

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Agoura Hills, California (the City) for the year ended June 30, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 30, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in the notes to the financial statements. As described in Note 1 to the financial statements, the City changed its accounting policies related to other postemployment benefits other than pension reporting by adopting Statement of Governmental Accounting Standards (GASB Statement) No. 75, *Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions* in fiscal year 2017-2018. Accordingly, the cumulative effect of the accounting change as of the beginning of the year is reported in the government-wide statement of activities and the proprietary funds statement of revenues, expenses and changes in net position.

We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the City's financial statements were.

Management's estimates of its net pension liability and net other postemployment benefits liability are based on actuarial valuation specialist assumptions. We evaluated the key factors and assumptions used to develop the net pension liability and net other postemployment benefits liability in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent, and clear.

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 14, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the City's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to that the management's discussion and analysis, the budgetary comparison schedules for the general fund and Successor Housing Agency major special revenue fund, schedules of plan contributions, the schedule of proportionate share of the net pension liability, and the schedule of changes in net OPEB and related ratio which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

We were engaged to report on combining and individual fund statements and schedules which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

New Accounting Standards

The following new Governmental Accounting Standards Board (GASB) pronouncements were effective for fiscal year 2017-2018 audit:

GASB Statement No. 75, Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions.

GASB Statement No. 81, Irrevocable Split Interest Agreements.

GASB Statement No. 85, Omnibus 2017.

GASB Statement No. 86, Certain Debt Extinguishment Issues.

The following Governmental Accounting Standards Board (GASB) pronouncements are effective in the following fiscal year audit and should be reviewed for proper implementation by management:

Fiscal year 2018-2019

GASB Statement No. 83, Certain Assets Retirement Obligations.

GASB Statement No. 88, Certain Disclosures Related to Debt, including Direct Borrowing and Direct Placements.

Fiscal year 2019-2020

GASB Statement No. 84, Fiduciary Activities.

Fiscal year 2020-2021

GASB Statement No. 87, Leases.

CPAs AND ADVISORS

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

Restriction on Use

This information is intended solely for the use of City Council and management of the City of Agoura Hills, California and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Lance, Soll & Lingham, LLP

Brea, California

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Agoura Hills, California (the City), as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 14, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

CPAs AND ADVISORS

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

"Gateway to the Santa Monica Mountains National Recreation Area"

December 14, 2017

**Honorable Mayor and Members of the City Council
Citizens of the City of Agoura Hills, California**

The City (City) of Agoura Hills is pleased to submit its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2018. The CAFR represents a complete set of financial statements presented in conformity, with generally accepted accounting principles (GAAP), and audited, in accordance with generally accepted auditing standards, by a firm of licensed certified public accountants.

Responsibility for the accuracy of the data and the fairness of presentation, including all footnotes and disclosures, rests with the City. To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in a manner designed to present fairly the financial position and results of operations of the various funds of the City. All material, statements, and disclosures, necessary to enable the reader to gain an understanding of the City's financial activities, have been included. To provide a reasonable basis for making these representations, management of the City has established a comprehensive internal control framework that is designed both to protect the City's assets from loss, theft or misuse, and to compile sufficient reliable information for the preparation of the City's financial statements, in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute assurance that the financial statements will be free from material misstatement. As management, we attest that, to the best of our knowledge and belief, this financial report is complete and reliable in all material aspects.

The City's financial statements have been audited by Lance, Soll & Lunghard, LLP, an accounting firm fully licensed and qualified to perform audits of state and local governments within the State of California. The independent audit involved: examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and, evaluating the overall financial statement presentation. The independent auditors concluded, based upon the audit, that there was reasonable basis for rendering an unmodified opinion that the City of Agoura Hills' financial statements for the fiscal year ended June 30, 2018, are fairly presented in conformity with GAAP.

The CAFR is presented in three sections: introductory, financial, and statistical. The introductory section includes this transmittal letter, the City's organization chart, and a list of City officials. The financial section includes the independent auditor's report, the basic financial statements, notes to the financial statements, and the combining and individual fund financial statements. The statistical section, which is unaudited, contains

CITY OF AGOURA HILLS
Letter of Transmittal
For the Year Ended June 30, 2018

selected financial and demographic information, generally presented on a multi-year basis.

GAAP requires that management provide a narrative introduction, overview, and analysis, to accompany the basic financial statements in the form of Management Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the City's MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors.

PROFILE OF THE CITY OF AGOURA HILLS

Perched on the western edge of Los Angeles County in the foothills of the Santa Monica Mountains, Agoura Hills is located just forty-five minutes from busy downtown Los Angeles, but is nevertheless rich with undulating hills and inspiring canyons. Agoura Hills was incorporated December 8, 1982. It is 7.86 square miles in size and has an average climate of 65 degrees Fahrenheit. The City has an altitude of 936 feet to 2,036 feet. Agoura Hills is one of the smaller communities in Los Angeles County, with a population of only 21,018.

The City of Agoura Hills is governed by the City Council/City Manager form of government. A five-member City Council is elected by the residents to oversee City operations and to guide the future development of the community. The terms are staggered so that a measure of continuity is maintained in the transitions from one Council to the next. The Mayor is selected annually by the City Council to serve a one-year term.

The City Council is responsible, among other things, for passing ordinances, adopting the budget, appointing committees, and appointing a City Manager and City Attorney. The City Council members also serve as the governing body of the following:

- ❖ Public Facilities Corporation
- ❖ Public Financing Authority
- ❖ Parking Authority
- ❖ Improvement Authority

In addition, the City Council appoints the members of the Planning Commission and has representation on the following Boards:

CITY OF AGOURA HILLS
Letter of Transmittal
For the Year Ended June 30, 2018

- ❖ Agoura Hills/Calabasas Community Center Board
- ❖ Las Virgenes/Malibu Council of Governments
- ❖ Santa Monica Mountains Conservancy

The City provides a full range of services, some of which are contracted through outside agencies and/or firms. These services include law enforcement, highways and roads, landscaping services, planning and zoning, building and environmental safety, emergency preparedness, and general administrative services. Certain services are provided by Public Facilities Corporation, the Public Financing Authority and the Improvement Authority. The Agoura Hills City Council exercises financial accountability over each entity, and city staff manages the operations of each of these organizations. These component units function, in essence, as departments of the City of Agoura Hills and therefore have been included as an integral part of the City of Agoura Hill's financial statements. Additional information on these entities can be found in note 1.a. of these financial statements.

For many centuries, the area that would become Agoura Hills was familiar territory for Native Americans who wandered inland from their hunts along the sea in search of game and other food. The permanent arrival of the Spanish in the late 1700s banished the Indians from their homes and introduced a ranching culture that would linger into the early twentieth century. In the 1900s, vast cattle and sheep ranches conceded ground to rows of lettuce and celery, orchards, and wheat fields. Ranching and agriculture eventually diminished in importance. Ranchers began dividing their property and selling individual tracts for housing.

From the outset, ranchers and farmers had worried about water supplies and the citizens of Agoura Hills into the mid-1950s shared those concerns. At that time, provision of outside sources of water helped ensure the growth of the community, aided by the new highways, which acted as a conduit for fresh faces and commercial development and contributed to the maturation of Agoura Hills.

The City is required to adopt a final budget by no later than the close of the fiscal year. This annual budget serves as the foundation for the City's financial planning and control. The budget is prepared by fund and department. The City Manager has the authority to transfer between expenditure accounts within the same department, office, agency, or program activity.

LOCAL ECONOMY

CITY OF AGOURA HILLS
Letter of Transmittal
For the Year Ended June 30, 2018

Agoura Hills is one of the wealthier communities in California with a median home value of \$847,700, which is 1.4 times that of Los Angeles County. The median age of Agoura Hills' residents in 2018 was 45, and the unemployment rate is at 4.4%, compared with 4.8% in Los Angeles County.

The City of Agoura Hill's financial position is strong. The largest revenue source is sales tax. Agoura Hills entices companies to relocate to and remain in the City by charging a low business license fee. As a result, the City enjoys a strong and diverse business and retail base, both of which contribute to revenue received through sales tax.

LONG-TERM FINANCIAL PLANNING

The unassigned fund balance in the General Fund (sixty-seven percent of total general fund expenditures and operating transfers) falls within the policy guidelines set by the Council for budgetary and planning purposes. In June 2005, the City adopted Resolution No. 05-1378, stating the City Council and City Staff will endeavor to designate an amount equal to or greater than forty percent (40%) of each year's proposed General Fund Operating Budget as the City's unobligated General Fund Reserve.

MAJOR INITIATIVES

In November 2008, the County of Los Angeles approved Measure R by a two-thirds majority, committing a projected \$40 billion to traffic relief and transportation upgrades throughout the county over the next 30 years. The City of Agoura Hills is scheduled to receive approximately \$40.6 million of these monies through 2018/19. Projects slated for the monies include the Chesebro/Palo Camodo Interchange (PR), and the Agoura Road Signal (design). The City utilized \$2.5 million in Measure R monies during the 2017/18 fiscal year, primarily on the Agoura Road Widening and Chesebro Bridge Projects.

AWARDS AND ACKNOWLEDGEMENTS

The Government Finance Officers' Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Agoura Hills for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2017. This was the eighth year that the City achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government entity must publish an easily readable and efficiently organized CAFR. This report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report could not have been accomplished without the efficient and dedicated services of the Finance Department staff. I would also like to express my appreciation to all departments within the City who provided assistance and support.

CITY OF AGOURA HILLS
Letter of Transmittal
For the Year Ended June 30, 2018

Sincere appreciation is also expressed to the City Manager, Mayor, and members of the City Council for their support in planning and conducting the operations of the City in a responsible and progressive manner.

Respectfully submitted,

CITY OF AGOURA HILLS

INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of City of Agoura Hills, California, (the City) as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Agoura Hills, California, as of June 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2018 the City adopted new accounting guidance, *GASB No. 75, Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions*. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis; the budgetary comparison schedules for the general fund and Successor Housing Agency major special revenue fund; schedules of plan contributions; the schedule of proportionate share of the net pension liability; and the schedule of changes in net OPEB liability and related ratio be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements and schedules, and the statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

To the Honorable Mayor and Members of the City Council
City of Agoura Hills, California

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2018 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018

Management's Discussion and Analysis (MD&A) is presented as a supplement to the City of Agoura Hills' (City) financial statements. The MD&A offers an objective narrative of the City's financial activities based upon facts, decisions, and conditions known to management as of the auditor's report date for the fiscal year ended June 30, 2018. Readers are encouraged to utilize this report in conjunction with the information outlined in the City's financial statements and notes to the financial statements (found on subsequent pages). A summary of the fiscal year's financial picture immediately follows.

FINANCIAL HIGHLIGHTS

- ❖ On June 30, 2018, the City's net position (excess of assets and deferred inflows/outflows of resources over liabilities) was \$147.2 million. Of this amount, \$36.5 million is classified as unrestricted.
- ❖ During the fiscal year ended June 30, 2018, the City's total net position increased by \$2.3 million.
- ❖ As of June 30, 2018, the unassigned fund balance for the General Fund was \$10.4 million or 67 percent of total General Fund expenditures and operating transfers.
- ❖ The City's governmental funds reported combined ending fund balances of \$40.3 million, an increase of \$2.7 million compared with the prior fiscal year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's financial statements, which are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains other supplementary information in addition to the basic financial statements themselves.

The basic financial statements include the City (primary government) and all legally separate entities for which the City is financially accountable. The City's component units consist of the following: The Public Facilities Corporation, The Improvement Authority, the Parking Authority and the Public Financing Authority. These component units have been included in the basic financial statements, as an integral part of the primary government, using the blended method.

Government-Wide Financial Statements

The Government-Wide Financial Statements present the financial picture of the City and provide readers with a broad view of the City's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the City's assets, deferred inflows/outflows of resources and liabilities, with a difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Agoura Hills is improving or deteriorating.

CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the change's underlying event occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (i.e. uncollected taxes and unearned but unused vacation leave).

While some governmental agencies have governmental and business-type activities, the City of Agoura Hills records all activities under governmental activities.

Fund Financial Statements

The Fund Financial Statements provide detailed information about the City's major funds – not the City as a whole. Some funds are required to be established by state law (i.e. Measure R & Transit Tax) and by bond covenants. However, management establishes other funds (i.e. Other Grants) to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money.

The Fund Financial Statements include statements for governmental and fiduciary categories of activities. The governmental activities are reported using the current financial resources measurement focus and modified accrual basis of accounting. The following sections provide a more in-depth detailing of the fund groups.

Governmental funds are reported, in essentially the same way as governmental activities in the government-wide financial statements with an exception; governmental fund financial statements focus on near-term inflows and outflows of spendable resources and balances of spendable resources. This means governmental fund financial statements identify current sources and uses of money within the immediate fiscal year. Benefits derived include a detailed short-term view of the City's general government operations and the basic services it provides, which assist in determining whether there are sufficient financial resources available to meet the City's current needs.

Since the scope of the governmental funds is different than that of the government-wide financial statements, it is beneficial to comparatively examine information presented for the governmental funds with information presented for governmental activities in the government-wide financial statements. From this, readers gain a clearer picture of the long-term impacts current financial decisions might yield. When examined together, the governmental funds Balance Sheet and Statement of Revenues, Expenditures, and Changes in Fund Balances provide the reader with a different snapshot that identifies variances between the two different methodologies of governmental activities and governmental funds.

The major governmental funds include The General Fund, Successor Housing Agency Special Revenue Fund, and the Measure R Capital Projects Fund, which are reported in detail in the Governmental Fund Financial Statements. All other funds are shown in the aggregate as other non-major funds. Individual fund data for other non-major governmental funds is provided in the form of supplementary information elsewhere in the report.

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

Fiduciary Funds— the City is the trustee, or fiduciary, for certain funds held on behalf of external parties. The City's fiduciary activities are reported in separate Statements of Fiduciary Net Position. These activities are excluded from the City's other financial statements because the resources of these funds are not available to support the City's own programs. The City is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and Fund Financial Statements.

Required Supplementary Information

In addition to the basic financial statements, this report also presents certain Required Supplementary Information, including the City's budgetary schedules.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Statement of Net Position

Net position is a good indicator of the City's financial position. For the fiscal year ended June 30, 2018, net position of the City was \$147.2 million, which is an increase of \$1.4 million from the prior year.

Following is the condensed Statement of Net Position for the fiscal years ended June 30, 2018 and 2017.

**City of Agoura Hills Net Position
As of June 30, 2018 and 2017**

	2018	2017
Current and other assets	\$ 48,317,762	\$ 47,690,709
Capital assets	120,422,625	118,660,686
Total Assets	168,740,387	166,351,395
Deferred outflows	2,193,551	1,539,916
Current liabilities	3,372,479	3,184,287
Long-term liabilities outstanding	19,818,777	18,365,949
Total Liabilities	23,191,256	21,550,236
Deferred inflows	494,136	442,581
Net Position:		
Net investment in capital assets	109,062,997	107,036,227
Restricted	1,649,754	1,723,643
Unrestricted	36,535,795	37,138,624
Total Net Position	\$ 147,248,546	\$ 145,898,494

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

At June 30, 2018 the largest portion of net position (74 percent) consists of the City's investment in capital assets net of related debt. This component portrays the amount of funds required to acquire those assets, less any related debt used for such acquisition that is still outstanding. The City uses these capital assets to provide services to citizens. The capital assets of the City are not sources of income for repayment of debt as most assets are not revenue generating and generally are not liquidated to repay debt. Therefore, debt service payments are funded from other sources available to the City.

An additional portion of the City's net position (\$1.6 million) represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position (\$36.5 million) may be used to meet the government's ongoing obligations to citizens and creditors.

For the years ended June 30, 2018 and 2017 the City reported positive balances in all three of the categories of net position.

- ❖ The \$2.0 million increase in the City's net investment in capital assets was primarily related to Measure R Capital Projects.
- ❖ Restricted net position decreased \$73,889, which is a four percent decrease.
- ❖ Unrestricted net position decreased \$602,829, primarily due to the use of Prop A funds for the purchase of a shuttle bus, and the use of Prop C funds for a street overlay project.

The following chart shows the comparison of the three components of net position for fiscal years 2016/17 and 2017/18 (in millions).

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

Statement of Activities

The following is the condensed Statement of Activities for the fiscal years ended June 30, 2018 and 2017.

**Statement of Activities Changes
For the Years Ended June 30, 2018 and 2017**

	2018	2017
Revenues:		
Program revenues:		
Charges for services	\$ 2,064,301	\$ 2,045,471
Operating grants and contributions	2,569,234	968,373
Capital grants and contributions	2,423,678	7,509,737
General revenues:		
Taxes	12,894,034	12,403,165
Investment Income	1,026,429	784,617
Other revenues	345,823	150,715
Gain on sale of capital asset	175,000	294,014
Total Revenues	21,498,499	24,156,092
Expenses:		
General government	4,840,686	4,668,415
Public safety	4,671,492	4,461,825
Public works	4,460,174	4,463,701
Community development	1,718,379	1,618,074
Community services	3,027,389	2,823,604
Interest and fiscal charges	517,386	866,327
Total Expenses	19,235,506	18,901,946
Increase in Net Position	2,262,993	5,254,146
Net Position – beginning of year as restated	144,985,553	140,644,348
Net Position – end of year	\$147,248,546	\$145,898,494

The City's activities increased net position by \$1.4 million which was a 1.0 percent increase from the prior fiscal year.

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

Revenues by source are shown in the chart below:

**Government Activities - Revenues by Source
June 30, 2018**

Revenue highlights:

- ❖ Charges for services increased 1 percent, or \$18 thousand, in fiscal year 2017/18.
- ❖ Operating grants and contributions increased \$1.6 million or 165% in fiscal year 2017/18. This primarily relates to traffic improvement fees which were received for development and a grant for the operation of the new Event Center.
- ❖ Investment Income increased \$242 thousand, or 31 percent, primarily due to payment of the loan from the Successor Agency to the City of Agoura Hills to the City.
- ❖ Capital Grants and Contributions decreased \$5.1 million, or 68 percent, in fiscal year 2017/18 primarily due to Measure R grant revenues which were received for the Agoura Road Widening Project.

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

Expense highlights:

Total expenses for the City's activities were \$19.2 million, \$.3 million more than the prior fiscal year.

Program revenues offset total expenses as follows:

- ❖ Those who directly benefited from programs contributed \$2.0 million in charges for services.
- ❖ The City was able to fund some of its programs through grants and contributions from outside sources or other governments for a total amount of \$5.0 million.

Functional expenses (excluding interest on debt) for the years ended June 30, 2018 and 2017 were as follows (amount in millions):

	Total Cost of Services		Percent Change	Net (Cost) Revenue of Services		Percent Change
	2017	2018		2017	2018	
General Government	\$ 4.7	\$ 4.8	2%	\$ (4.2)	\$ (4.1)	-2%
Public safety	4.5	4.7	4%	(3.5)	(3.8)	9%
Public works	4.5	4.5	0%	2.7	0.1	-96%
Community development	1.6	1.7	6%	(0.2)	(1.4)	600%
Community services	2.8	3.0	7%	(2.4)	(2.5)	4%
Total	18.1	18.7	3%	(7.6)	(11.7)	54%

In total, the net cost of services increased \$4.1 million. Highlights of the changes are:

- ❖ Public works decreased 96 percent (\$2.6 million) primarily due to the timing of reimbursement of Measure R grant monies for the Agoura Road Widening in 2017/18.
- ❖ Community development increased 600 percent (\$1.2 million) due to a capital grant received for a one-time project in 2017/18.

Financial Analysis of the City's Funds

The City of Agoura Hills only has governmental fund types whose focus is to provide information on short-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements.

As of the end of 2017/18, the City's funds reported ending fund balances of \$40.3 million, an increase of \$2.7 million in comparison with the prior fiscal year. The increase in fund balance primarily reflects a repayment of a grant for the Agoura Road Widening Project Medea Creek Restoration Project in 2017/18. Of the \$40.3 million in fund balances at fiscal year-end 2017/18, \$26.5 million is Nonspendable because it represents prepaids, land held for resale, and long-term receivables, and \$6.9 million is Restricted, Committed or Assigned to indicate that it is not available for appropriation because it had already been restricted for a variety of purposes.

CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018

The General Fund is the chief operating fund of the City. At the end of fiscal year 2017/18, the fund balance of the General Fund was \$37.3 million, with \$26.5 million Nonspendable because it was for Land held for Resale, prepaids, and the receivable from the Successor Agency. As a measure of the General Fund's liquidity, it is useful to compare unassigned fund balance to total expenditures. At June 30, 2018, unassigned fund balance was 67 percent of total General Fund expenditures and operating transfers out.

Fund balance in the City's General Fund increased by \$650,988 in fiscal year 2017/18, when compared to a \$568,458 increase in fund balance 2016/17. In 2010/11 the General Fund received a transfer in of \$30.6 million from the Redevelopment Agency to cover a reimbursement agreement for services. In January 2011 the City executed an agreement to cover the amounts that had been advanced since April of 1988. However, due to the dissolution of the Redevelopment Agency the General Fund established an allowance for the entire amount and recorded an extraordinary loss of \$31.1 million in 2011/12. Subsequently in 2013/14 the Oversight Board to the Successor Agency approved OB Resolution No. 14-23 determining that the loan was for legitimate redevelopment purposes. In 2014/15 the California State Department of Finance (DOF) further recalculated the loan to have a balance of \$17 million. In 2015/16, with new legislation, the DOF restated the loan to \$26.2 million. For further information, see Note 15(b) to the Basic Financial Statements.

The Successor Housing Agency Fund is a special revenue fund to acquire affordable housing. This fund follows guidelines established by the State of California. The fund balance increased by \$71,057 or 18% in 2017/18. To date, the City has \$463,989 in the fund. The Measure R Capital Projects fund is established to account for grant monies received from LA METRO. These monies are used for several capital projects, including the Agoura Road Widening and the Palo Camado Interchange. Fund balance increased by \$1.4 million (31%), as the project reimbursements were received for prior years. The fund has short-term borrowing from the General Fund and the Traffic Impact Fee Fund, to assist with cashflow needs (\$2.3 million).

GENERAL FUND AND MAJOR SPECIAL REVENUE FUND BUDGETARY HIGHLIGHTS

In preparing the budget, the City attempts to estimate its revenue using realistic, but conservative, methods to budget its expenditure appropriations and activities in a prudent manner. As a result, the City Council adopts budget adjustments during the course of the fiscal year to reflect both changed priorities and availability of additional revenues to allow for expansion of existing programs. During the course of the year, the City Council amended the originally adopted budget to reappropriate prior year approved projects and expenditures and to amend the spending plan of the City.

In the General Fund, amendments between the original budget and the final budget resulted in increased revenues of \$244,612, and increased expenditures and transfers of \$40,272. The increased revenues primarily related to the sale of a capital asset related to a parcel held by the City. Expenditures remained flat, with a slight increase in Public Works for traffic related expenses. Transfers out increased \$112,300 but were offset by the proceeds from the sale of a parcel of land for \$175,000. The transfers relate to a capital improvement project and an increase in Affordable Housing. These amendments resulted in an overall budgeted increase to the fund balance of \$310,284.

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

The City budgets on a cash basis, which includes receipt of loan repayments from the Successor Agency in the amount of \$396,656. According to General Accepted Accounting Principles (GAAP) this revenue is reflected as a receivable in the loan between the City and the Successor Agency. Finally, for budgeting purposes, the City has established a Building Fund, to set-aside monies for future capital improvements, and a CalPERS set-aside Fund to account for future retirement costs. GAAP considers these funds to be a part of the General fund. Therefore, a reconciliation is included to reflect the variance between the actual and final budget amounts. When adjusted, the City General Fund reflected a net total favorable budget variance of \$202,329, when comparing actual amounts to the final budget for the current fiscal year.

The Housing Successor Agency special revenue fund had a positive variance of \$26,206 for revenue and a positive variance of \$361 in expenditures. The net change in fund balance increased \$26,567 over the budgeted amount.

CAPITAL ASSETS

Capital assets, including infrastructure of the City, are those assets that are used in the performance of the City's functions. At June 30, 2018, net capital assets totaled \$120.4 million.

This investment in capital assets includes land, construction in progress, buildings and improvements, leased equipment, vehicles, and infrastructure. The total increase in the City's investment of capital assets, net of related debt, for the current fiscal year is \$1.8 million or 1.5 percent of capital assets net of accumulated depreciation. The increase in capital assets primarily reflects the addition of \$2.3 million in Construction in Progress, related to the Agoura Road Widening. The Agoura Road Widening Capital Project was funded through grant resources.

Major projects in fiscal year ended 2017/18 include:

- ❖ Construction in progress on the Agoura Road Widening, and the Medea Creek Restoration Capital Project.

**City of Agoura Hills Capital Assets
(Net of depreciation)**

	<u>2018</u>	<u>2017</u>
Land	\$ 13,157,883	\$ 12,766,358

Total Capital Assets	<u>\$ 120,422,625</u>	<u>\$ 118,660,686</u>

Additional information on the City's capital assets can be found in Note 5 in the basic Financial Statements.

**CITY OF AGOURA HILLS
Management's Discussion and Analysis (MD&A)
For the Year Ended June 30, 2018**

LONG-TERM DEBT

At the end of the current fiscal year, the City of Agoura Hills had total debt outstanding of \$14.3 million. The City's long-term obligations as of June 30, 2018 and 2017 were as follows:

City of Agoura Hills Outstanding Debt

	2018		2017
2013 Lease Revenue Bonds	3,499,154		3,575,920
2016 Lease Revenue Refunding Bonds	10,324,881		10,591,891
Compensated Absences	470,920		440,451
Total Outstanding Debt	\$ 14,294,955		\$ 14,608,262

Additional information on the City's long-term debt can be found in Note 6 of the basic Financial Statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

In preparing the budget for 2018/19 the following factors were taken in to consideration:

- ❖ Salary bands are budgeted to adjust 6.2% which includes a new position within the Planning Department and a 2.7% cost of living adjustment. This resulted in a \$356,166 increase in salary and benefit costs.
- ❖ Several anticipated large capital projects, including Street Resurfacing (\$474 thousand), and the design phase of Palo Comado Interchange (\$9 million).

The City's operating budget for 2018/19 reflects the use of sales tax override funds provided as Measure R grant monies, for the Palo Comado Interchange.

It is anticipated that the City will remain in good financial condition throughout the fiscal year and beyond.

REQUEST FOR INFORMATION

This financial report is designed to provide citizens, taxpayers, customers, investors and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the City of Agoura Hills Finance Department, 30001 Ladyface Court, Agoura Hills, California, 91301 or (818) 597-7319.

**RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
JUNE 30, 2018**

Fund balances of governmental funds		\$ 40,319,074
Amounts reported for governmental activities in the statement of net position are different because:		
Capital assets net of depreciation have not been included as financial resources in governmental fund activity.		120,422,625
Investment in Joint Venture Community Center represents interest only in capital assets of the joint venture rather than a financial asset and, therefore, is not recorded in the governmental funds.		1,793,851
Deferred outflows related to contributions made after the actuarial measurement date for the net pension liability:		
Contributions made subsequent to measurement date	\$ 443,161	
Change in assumptions	830,341	
Difference between expected and actual experiences	6,692	
Net difference between projected and actual earnings on plan investments	187,789	
Adjustment due to differences in proportions	<u>112,824</u>	1,580,807
Deferred outflows related to contributions made after the actuarial measurement date for the net OPEB liability:		
Contributions made subsequent to measurement date		189,000
Deferred outflows related to the refunding of long term debt are recorded as expenditures in the current period and therefore is not reported in the funds.		423,744
Long-term debt, compensated absences and claims and judgment liability that have not been included in the governmental fund activity:		
Bonds payable	(13,045,000)	
Unamortized bond premiums/discounts	(779,035)	
Compensated Absences	<u>(470,920)</u>	(14,294,955)
Accrued interest payable for the current portion of interest due on Bonds has not been reported in the governmental funds.		(89,947)
Governmental funds report all OPEB contributions as expenditures, however in the statement of net position any excesses or deficiencies in contributions in relation to the proportionate share of contributions are recorded as an asset or liability.		(1,044,000)
Governmental funds report all pension contributions as expenditures, however in the statement of net position any excesses or deficiencies in contributions in relation to the proportionate share of contributions are recorded as an asset or liability.		(4,479,822)
Revenues reported as unavailable revenue in the governmental funds and recognized in the statement of activities. These are included in the intergovernmental revenues in the governmental fund activity.		2,922,305
Deferred inflows related to unrecognized actuarial gains and losses for the net pension liability:		
Changes in assumptions	(63,314)	
Difference between expected and actual experiences	(95,877)	
Adjustment due to differences in proportions	(54,382)	
Difference in actual to proportionate share contribution	<u>(242,563)</u>	(456,136)
Deferred inflows related to unrecognized actuarial gains and losses for the net OPEB liability:		
Net difference between projected and actual earnings on plan investments		<u>(38,000)</u>
Net Position of Governmental Activities		<u>\$ 147,248,546</u>

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2018**

Net change in fund balances - total governmental funds \$ 2,730,037

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the costs of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.

Capital outlay	\$ 4,185,749	
Deletion due to renegotiated payable on infrastructure project	(184,159)	
Depreciation	<u>(2,239,651)</u>	1,761,939

Share of expenses for Joint Venture in Community Center is not recorded as an expenditure in the governmental funds; however, it is recorded in the statement of activities as an expense. (57,404)

Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Principal repayments	310,000	
Amortization of bond premiums	33,776	
Amortization of deferred amounts on refunding	<u>(17,656)</u>	326,120

Accrued interest for long-term liabilities. This is the net change in accrued interest for the current period. 65,952

Compensated absences expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. (30,469)

OPEB obligation expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds. 30,000

Pension obligation expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds. (263,458)

Revenues reported as unavailable revenue in the governmental funds and recognized in the statement of activities. These are included in the intergovernmental revenues in the governmental fund activity. (2,299,724)

Change in Net Position of Governmental Activities \$ 2,262,993

NOTES TO FINANCIAL STATEMENTS

THIS PAGE INTENTIONALLY LEFT BLANK

Note 1: Summary of Significant Accounting Policies

a. Description of Reporting Entity

The City of Agoura Hills (City) was incorporated December 8, 1982, under the general laws of the State of California and enjoys all the rights and privileges pertaining to "General Law" cities. The City operates under a Council/Manager form of government. As required by generally accepted accounting principles, these financial statements present the government and its component units for which the government is considered financially accountable. Blended component units, although legally separate entities, are in substance, part of the City's operations and data from these units are combined with data of the City of Agoura Hills, the primary government. Each component unit has a June 30 year end.

Blended Component Units

The Agoura Hills Public Facilities Corporation, Agoura Hills Public Financing Authority, Parking Authority of the City of Agoura Hills, and the Agoura Hills Improvement Authority are legally separate entities. The Agoura Hills City Council exercises financial accountability over each entity. Financial accountability is determined on the basis of budget adoption, taxing authority, funding, and the appointment of the governing board. Additionally, City staff manages the operations of each of these organizations on a contractual or reimbursement basis. A discussion of each entity follows.

The Agoura Hills Public Facilities Corporation (Corporation) was incorporated January 5, 1988 as a not-for-profit public benefit corporation and determined to be tax exempt pursuant to Revenue and Taxation Code 23701(d) of the State of California. The sole purpose of the Corporation is to provide a financing vehicle for the construction of public facilities. The members of the City Council act as the governing board of the Corporation. No financial activity is reported as the Corporation is not active.

The Agoura Hills Public Financing Authority (Financing Authority) was organized in April 2001 under a joint exercise of power agreement to provide financing for public capital improvements for the City and the Agoura Hills Redevelopment Agency. The members of the City Council act as the governing board of the Financing Authority. The Financing Authority does not issue separate financial statements.

The Parking Authority of the City of Agoura Hills (Parking Authority) was established June 26, 2013 pursuant to California Streets and Highways Code Section 32650. The members of City Council act as the Board of Directors, the governing board of the Parking Authority. The Parking Authority is considered a blended component unit due to the financial benefit or burden relationship the Parking Authority shares with the City. The Parking Authority does not issue separate financial statements.

The Agoura Hills Improvement Authority (Improvement Authority) was established June 26, 2013 under a joint exercise of power agreement with the Parking Authority and the City. The members of City Council act as the Authority Commission, the governing board of the Improvement Authority. The Improvement Authority is considered a blended component unit due to the financial benefit or burden relationship the Improvement Authority shares with the City as its financial transactions are reported in a debt service fund. The Improvement Authority does not issue separate financial statements.

Note 1: Summary of Significant Accounting Policies (Continued)

b. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. Eliminations have been made in the Statement of Activities so that certain allocated expenses are recorded only once (by the function to which they were allocated). However, general government expenses have not been allocated as indirect expenses to the various functions of the City.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grant and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and fiduciary funds even though the latter is excluded from the government-wide statements. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. Major individual governmental funds are reported as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as nonmajor funds.

c. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. The agency funds have no measurement focus. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Non-exchange transactions, in which the City gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, sales taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements and donations is recognized in the fiscal year from which all eligibility requirements have been satisfied.

Governmental Funds

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The City considers all revenues reported in the governmental funds to be available if the revenues are collected within sixty days after year-end, except for sales tax revenues which are considered to be available if collected within ninety days after year-end. Expenditures generally are recorded when the related fund liability is incurred, except for principal and interest on long-term debt, claims and judgments and compensated absences, which are recognized as an expenditure to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

Note 1: Summary of Significant Accounting Policies (Continued)

Property taxes, charges for services, intergovernmental revenues and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

The City reports the following major governmental funds:

The General Fund is the general operating fund of the City. It is used to account for resources traditionally associated with the government which are not required legally or by sound financial management to be accounted for in another fund. All general tax revenue and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund.

The Housing Successor Fund accounts for restricted revenues and expenditures for the housing activities of the former Redevelopment Agency's Low- and Moderate-Income Fund activities. Revenues received relate to contributions for new housing and loan repayments.

The Measure R Capital Projects Fund is used to account for grant monies received from the County and restricted for specific projects within the City.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, and then use unrestricted resources as needed.

Fiduciary Funds

The Fiduciary Funds include the Agency Fund and Redevelopment Successor Private-purpose Trust Fund.

The Agency Fund is used to account for various assets such as developer fees and L.A. County Fire Department fees held by the City in a trustee capacity or as an agent for individuals, private organizations and/or other governments. The City also acts as a secretary for an organization in which the money is held in the Agency Fund. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results or operation. Agency funds have no measurement focus but utilize the accrual basis of accounting.

The Redevelopment Successor Agency is used to account for assets, liabilities and activities of the former Redevelopment Agency of the City in a trustee capacity to pay enforceable obligations of the former Agoura Hills Redevelopment Agency. In accordance with Assembly Bill (AB) X1 26 and AB 1484, the Redevelopment Agency was dissolved February 1, 2012. The Private-Purpose Trust Fund is reported using the economic resources measurement focus and accrual basis of accounting.

Use of Estimates

The preparation of the City's basic financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures of contingent amounts at the date of the basic financial statements, and revenues and expense/expenditures during the reported period. Actual results could differ from those estimates.

Note 1: Summary of Significant Accounting Policies (Continued)

d. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position

1. Deposits and Investments

The City's cash and investment balance consists of cash on hand, demand deposits and investments. Investments are stated at fair value.

The City maintains a cash and investment pool for the general operation of the City. Each fund type's portion of the pool is reported on the financial statements as Cash and Investments. Interest earned on pooled cash and investments is distributed quarterly to each fund based upon each fund's proportionate share of the pool.

The City has monies held by trustees or fiscal agents pledged to the payment or security of certain bonds. The California Government Code provides that these monies, in the absence of specific statutory provisions governing the issuance of bonds, may be invested in accordance with the ordinance, resolutions or indentures specifying the types of investments its trustees or fiscal agents may make. These ordinances, resolutions and indentures are generally more restrictive than the City's general investment policy.

2. Receivables and Payables

Transactions between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds" (i.e., short-term interfund loans) or as "advances to/from other funds" (i.e., long-term interfund loans).

Property tax revenue is recognized when susceptible to accrual in the accounting period in which taxes are measurable and available. Property taxes are considered available by the City if they are collected within 60 days after year end. There is no allowance for uncollectible amounts. Assessed valuations are determined on an annual basis by the Los Angeles County Assessor. Taxes attach as an enforceable lien on property as of January 1, are levied on July 1, are due November 1 and February 1, and are delinquent if not paid by December 10 and April 10 of each year.

3. Prepaids

Certain membership dues and payments to vendors represent expenses that apply to future accounting periods. Prepaid items are expensed when consumed.

4. Land Held for Resale

Land held for resale is carried at the lower of cost or estimated realizable value determined at the date a disposition and development agreement is executed.

Note 1: Summary of Significant Accounting Policies (Continued)

5. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets are reported in the governmental activities columns in the government-wide financial statements. Capital assets are valued at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and assets received in service concession arrangements are recorded at acquisition value at the point of acquisition. Capital assets subject to lease obligations are valued at the present value of future lease payments at the inception of the lease. Depreciation of all exhaustible capital assets used by governmental activities is charged as an expense against their operations. Accumulated depreciation is reported on the statement of net position. Depreciation has been provided over the estimated useful lives using the straight-line method over the following estimated useful lives:

Buildings and improvements	50 years
Vehicles	7-15 years
Machinery	5-30 years
Equipment	5-15 years
Infrastructure	20-50 years

Capitalization threshold of capital assets is based at a minimum value as follows:

Buildings and building improvements	\$25,000
Vehicles, machinery, and equipment	10,000
Infrastructure	25,000

6. Vacation and Compensatory Time (Compensated Absences)

Compensated absences are recorded in accordance with GAAP. Only vested or accumulated compensated absences that are expected to be due or mature are reported as an expenditure and fund liability of the governmental fund that will pay it. Amounts of vested or accumulated compensated absences that are not expected to be liquidated with expendable available financial resources are reported in the governmental activities of the government-wide financial statements. General fund resources have been used to liquidate the liability for compensated absences.

7. Long-term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities. Bond premiums and discounts and gains and losses on debt refunding are deferred and amortized. Bonds payable are reported net of the applicable bond premium or discount.

Note 1: Summary of Significant Accounting Policies (Continued)

The face amount of debt issued is reported as other financing sources. Premiums received on debt issuance are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

8. Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City's California Public Employees' Retirement System (CalPERS) plans (Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The pension liability is liquidated through the City's General Fund.

9. Other Post-Employment Benefits

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the City's plan (OPEB Plan), the assets of which are held by CalPERS in the California Employers' Retiree Benefit Trust (CERBT), and additions to/deductions from the OPEB Plan's fiduciary net position have been determined by an independent actuary. For this purpose, benefit payments are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value. The OPEB liability is liquidated through the City's General Fund.

10. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has three items that qualify for reporting in this category. One is the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second and third are the deferred outflows relating to net pension obligation and the deferred outflows relating to the net other post-employment benefits obligation reported in the government-wide statement of net position. Both of these outflows are the results of contributions made after the measurement period, which are recognized in the following year. In addition, they include differences between expected and actual experiences, differences in proportions, changes in assumptions, and adjustments due to differences in proportionate share of the net pension liability, which are amortized over expected average remaining service lifetime. Net differences between projected and actual earnings on pension plan investments are amortized over five years.

Note 1: Summary of Significant Accounting Policies (Continued)

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has three items that qualify for reporting in this category. One arises under a modified accrual basis of accounting, unavailable revenue, which is reported only in the governmental funds balance sheet. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The second and third items in this category are the deferred inflows relating to the net pension obligation and the deferred outflows relating to the net other post-employment benefits obligation reported in the government-wide statement of net position. These inflows are the result of the net difference between projected and actual earnings on OPEB plan investments, adjustments due to difference in proportions, and the difference between actual contributions made and the proportionate share of the risk pool's total contributions, the difference between expected and actual experiences, and changes in actuarial assumptions. These amounts are deferred and amortized over the expected average remaining service life time, with the exception of the net difference between expected and actual earnings on OPEB plan investments which are amortized over five years.

11. Effect of New Accounting Standards

GASB Statement No. 75 – During the fiscal year ended June 30, 2018, the City implemented GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits other than Pensions. The primary objective of this statement is to improve accounting and financial reporting by state and local governments for postemployment benefits other than pensions (OPEB). It also improves information provided by state and local governmental employers about financial support for OPEB that is provided by other entities. This Statement replaces the requirements of Statements No. 45, Accounting for Financial Reporting by Employers for Postemployment Benefits other than Pensions, as amended, and No. 57, OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans.

As a result of this change in accounting principle, beginning net position as reported in the government-wide statement of net position as been restated (see Note 15 for more information).

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 2: Cash and Investments (Continued)

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustee is governed by provisions of the debt agreements rather than the general provisions of the California Government Code or the City's investment policy. The table below identifies the general investment types that are authorized for investments held by the bond trustee. The table also identifies certain provisions of these debt agreements that address interest rate risk and concentration of credit risk.

Authorized Investment Type	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
U.S. Treasury Obligations	None	None	None
Federal Housing Administration Debentures	None	None	None
U.S. Agency Securities	None	None	None
Unsecured CDs, time deposits, and Banker's Acceptances	30 days	None	None
FDIC Insured Bank Deposits	None	None	None
Commercial Paper	270 days	None	None
Money Market Funds	N/A	None	None
State Obligations	None	None	None
Pre-funded Municipal Obligations	None	None	None
Repurchase Agreements	270 days	None	None
Investment Agreements	None	None	None
Local Agency Investment Fund (LAIF)	None	None	None

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. As of the year end the weighted average maturity of the investments contained in LAIF investment pool was approximately 270 days. The City's investment policy recognized the interest rate risk and therefore places maximum maturity limits (up to five years) on various types of allowable investments.

CITY OF AGOURA HILLS, CALIFORNIA

Held by bond trustee:				
Cash with fiscal agent - money market funds	571,063	-	-	571,063
Total	\$ 17,437,516	\$ -	\$ -	\$ 17,437,516

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by (where applicable) the California Government Code, the City's investment policy, or debt agreements, and the actual Standard and Poor's rating as of year-end for each investment type.

Investment Type	Total as of June 30, 2018	AA+	Unrated
LAIF	\$ 16,369,735	\$ -	\$ 16,369,735
Federal agency securities:			
FFCB	249,453	249,453	-
U.S. Treasury Notes	247,265	247,265	-
Held by bond trustee:			
Cash with fiscal agent - money market funds	571,063	-	571,063
Total	\$ 17,437,516	\$ 496,718	\$ 16,940,798

Concentrations of Credit Risk

The investment policy of the City contains limitations on the amount that can be invested in any one issuer. The City currently does not have any investments in any one issuer (other than U.S. Treasury Securities, mutual funds, and external investment pools) that represent 5 percent or more of total City investments.

Note 2: Cash and Investments (Continued)

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the City's policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits:

The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110 percent of the total amount deposited by the public agencies. California law also allows financial institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150 percent of the secured public deposits.

Of the City's deposits with financial institutions, \$1,426,626 was in excess of federal depository insurance limits. The uninsured deposits were held by financial institutions, which are legally required by the California Government Code to collateralize the City's deposits as noted above.

Investment in State Investment Pool

The City is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code under the oversight of the Treasurer of the State of California. The fair value of the City's investment in this pool is reported in the accompanying financial statements at amounts based on the City's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. LAIF does not impose limits or restrictions on participant withdrawals, and the entire balance of the City's investment in the portfolio is available for withdrawal at any time. LAIF is not registered with the Securities and Exchange Commission and is not rated.

Fair Value Hierarchy

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 2 inputs utilized by the City to determine fair market value include: matrix pricing, market corroborated pricing, and other inputs such as yield curves and indices. Level 3 inputs are significant unobservable inputs. The City measures all of its investments using Level 2 inputs.

2007 Lease Revenue Refunding Bonds

On March 1, 2007, the City issued \$12.06 million in Lease Revenue Refunding Bonds with interest rates ranging from 3.875 to 4.375 percent to defease \$8.8 million of 1999 Lease Revenue outstanding bonds. The principal of the bonds is payable on their maturity date of February 1, of each year. Interest on the bond is payable on February 1, and August 1, each year. The full refunding of the 2007 Lease Revenue Refunding Bonds by the issuance of the 2016 Lease Revenue Refunding Bonds. As of June 30, 2018, the 2007 Lease Revenue Refunding Bonds were refunded with no principal outstanding.

2013 Lease Revenue Bonds

On September 1, 2013, the City issued \$3.675 million in Lease Revenue Bonds with interest rates ranging from 4.00 to 5.00 percent to finance a portion of the costs of the community recreation center project. The principal of the bonds is payable on their maturity date of February 1, of each year. Interest on the bond is payable on February 1, and August 1, each year. The outstanding balance at June 30, 2018 is \$3,455,000.

The future debt service payments are as follows:

Year ending June 30	2013 Lease Revenue Bonds	
	Principal	Interest
2019	\$ 80,000	\$ 162,025
2020	80,000	158,825

2034-2038	2,630,000	693,000	3,323,000
2039-2043	1,845,000	149,400	1,994,400
Totals	<u>\$ 9,590,000</u>	<u>\$ 5,672,850</u>	<u>\$ 15,262,850</u>

Employee Compensated Absences Payable

The City's policies relating to compensated absences are described in Note (l)(d)6. This liability will be paid in future years from future resources.

Note 7: Fund Balance

The following classifications, in accordance with GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, describe the relative strength of the constraints placed on the purposes for which resources can be used:

Nonspendable

Amounts that cannot be spent either because they are in nonspendable form or are legally or contractually required to be maintained intact (e.g. prepaid assets, inventory). At June 30, 2018, the balance is comprised of advances to other funds (net of allowances), prepaids and land held for resale.

Restricted

Amounts that are constrained to specific purposes by state or federal laws, enabling legislation, or externally imposed conditions by grantors or creditors.

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 7: Fund Balance (Continued)

Committed

Amounts that can only be used for specific purposes pursuant to constraints imposed by the City Council, the City's highest level of decision-making authority, through formal actions taken, such as an ordinance or resolution, which are considered to be equally binding. These committed amounts cannot be used for any other purpose unless the City Council removes or changes the specified use through the same type of formal action taken to establish the commitment.

Assigned

Amounts that are constrained by the City's intent to be used for specific purposes but are neither restricted nor committed. The authority to assign amounts to be used for specific purposes has been delegated to the Finance Director pursuant to the City's fund balance policy.

Unassigned

These are residual positive net resources of the general fund in excess of what can properly be classified in one of the other four categories. This classification also includes amounts set aside for the City's minimum fund balance policy. Unassigned fund balance also includes negative fund balances in funds outside of the General Fund.

Spending Policy

Restricted fund balance is considered to have been spent first when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available. Similarly, when an expenditure is incurred for purposes for which amounts in any of the unrestricted classifications of fund balance could be used, the City considers committed amounts to be reduced first, followed by assigned amounts and then unassigned amounts.

Minimum Fund Balance Policy

An amount equal to or greater than 40 percent of each fiscal year's proposed General Fund Operating Budget is to be designated as the City's unobligated General Fund Reserve pursuant to Resolution 05-1378. At June 30, 2018, the City had set aside \$10.4 million pursuant to this policy, which was classified as unassigned fund balance.

Note 8: Defined Benefit Pension Plan

a. Plan Descriptions

All qualified permanent and probationary employees are eligible to participate in the City of Agoura Hill's miscellaneous cost-sharing multiple-employer defined benefit pension plans administered by the California Public Employees' Retirement System (CalPERS), which acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and City resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website at www.calpers.ca.gov. The two Agoura Hills cost-sharing plans are Classic Miscellaneous and PEPRA Miscellaneous.

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 8: Defined Benefit Pension Plan (Continued)

b. Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: The Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

Below is a summary of the plan's provisions and benefits in effect at June 30, 2018, for which the City of Agoura Hills has contracted:

Major Benefit Options	Miscellaneous	Miscellaneous PEPRA
Hire Date	Prior to January 1, 2013	On or after January 1, 2013
Benefit Provision		
Benefit Formula	2.0% @ 55	2.0% @ 62
Social Security	no	no
Full/Modified	full	full
Benefit vesting schedule	5 yrs service	5 yrs service
Benefit payments	monthly for life	monthly for life
Retirement age	50-63	52-67
Monthly benefits, as a % of eligible compensation	1.426% to 2.418%	1.0% to 2.5%
Required employer contribution rates	13.673%	6.602%
Required employee contribution rates	6.896%	6.250%

New entrants are not allowed in the Miscellaneous Classic Plan.

c. Contribution Description

Section 20814(c) of the California Public Employees' Retirement Law (PERL) requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through the CalPERS' annual actuarial valuation process. For public agency cost-sharing plans covered by either the Miscellaneous or Safety risk pools, the Plan's actuarially determined rate is based on the estimated amount necessary to pay the Plan's allocated share of the risk pool's costs of benefits earned by employees during the year, and any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

For the year ended June 30, 2018, the contributions recognized as a reduction to the net pension liability was \$392,645.

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 8: Defined Benefit Pension Plan (Continued)

d. *Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions*

As of June 30, 2018, the City of Agoura Hills reported a net pension liability for its proportionate share of the net pension liability in the amount of \$4,479,822.

The City of Agoura Hills' net pension liability is measured as the proportionate share of the net pension liability. The net pension liability of each of the Plans is measured as of June 30, 2017, and the total pension liability for each Plan used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2016 rolled forward to June 30, 2017 using standard update procedures. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plans relative to the projected contributions of all participating employers, actuarially determined. The City's proportionate share of the net pension liability for each Plan as of June 30, 2016 and 2017, was as follows:

Proportions as a percentage of the CalPERS Miscellaneous risk pool:

	<u>Miscellaneous</u>
Proportion - June 30, 2016	0.04331%
Proportion - June 30, 2017	0.04517%
Change - Increase (Decrease)	0.00186%

For the year ended June 30, 2018, the City of Agoura Hills recognized pension expense of \$706,620. At June 30, 2018, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Pension contributions subsequent to measurement date	\$ 443,161	\$ -
Changes in assumptions	830,341	63,314
Difference between expected and actual experiences	6,692	95,877
Net differences between projected and actual earnings on plan investments	187,789	-
Change in employer's proportion and differences between the employer's contributions and the employer's proportionate share of contributions	-	242,563
Adjustment due to differences in proportions	112,824	54,382

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 8: Defined Benefit Pension Plan (Continued)

The \$443,161 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2019. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended June 30	Deferred Outflow / (Inflows) of Resources
2019	\$ 76,569
2020	447,082
2021	269,352
2022	(111,493)
Total	<u>\$ 681,510</u>

e. Actuarial Assumptions

For the measurement period ended June 30, 2017 (the measurement date), the total pension liability was determined by rolling forward the June 30, 2016, total pension liability. The June 30, 2016 and the June 30, 2017, total pension liabilities were based on the following actuarial methods and assumptions:

Actuarial Cost Method Actuarial Assumptions	Entry Age Normal Cost Method
Discount Rate	7.15%
Inflation	2.75%
Salary Increases	3.00%
Investment Rate of Return	7.00% (2)
Mortality Rate Table (3)	Derived using CalPERS' Membership Data for all Funds
Post Retirement Benefit Increase	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter

(1) Depending on age, service and type of employment

(2) Net of Pension Plan Investment and Administrative Expenses; includes Inflation

(3) The mortality table used was developed based on CalPERS' specific data. The table includes 20 years of mortality improvements using Society of Actuaries Scale BB. For more details on this table, please refer to the 2014 experience study report on the CalPERS website.

All other actuarial assumptions used in the June 30, 2016, valuation were based on the results of an actuarial experience study for the period from 1997 to 2011, including updates to salary increase, mortality and retirement rates. The Experience Study report can be obtained at CalPERS' website under Forms and Publications.

Note 8: Defined Benefit Pension Plan (Continued)

f. *Change of Assumptions*

For the measurement date June 30, 2017, the financial reporting discount rate was lowered from 7.65 percent to 7.15 percent. In December 2016, the CalPERS Board approved lowering the funding discount rate used from 7.50 percent to 7.00 percent, which is to be phased-in over a three-year period (7.50 percent to 7.375 percent, 7.375 percent to 7.25 percent, and 7.25 percent to 7.00 percent) beginning with the June 30, 2016 valuation reports. The funding discount rate includes a 15 basis-point reduction for administrative expenses, and the remaining decrease is consistent with the change in the financial reporting discount rate.

g. *Discount Rate*

The discount rate used to measure the total pension liability was 7.15 percent. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.15 percent discount rate is adequate, and the use of the municipal bond rate calculation is not necessary. The long term expected discount rate of 7.15 percent is applied to all plans in the Public Employees Retirement Fund. The stress test results are presented in a detailed report called "GASB Crossover Testing Report" that can be obtained at CalPERS' website under the GASB 68 section.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, staff took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Such cash flows were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. Using historical returns of all the funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and rounded down to the nearest one quarter of one percent.

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 8: Defined Benefit Pension Plan (Continued)

The table below reflects long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. These geometric rates of return are net of administrative expenses.

Asset Class	New Strategic Allocation	Real Return Years 1 - 10 (1)	Real Return Years 11+ (2)
Global Equity	47.0%	4.90%	5.38%
Fixed Income	19.0	0.80	2.27
Inflation Assets	6.0	0.60	1.39
Private Equity	12.0	6.60	6.63
Real Estate	11.0	2.80	5.21
Infrastructure and Forestland	3.0	3.90	5.36
Liquidity	2.0	(0.40)	(0.90)

- (1) An expected inflation of 2.5% used for this period.
- (2) An expected inflation of 3.0% used for this period.

h. Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the City's proportionate share of the net pension liability/ (asset) of the Plan, calculated using the discount rate for each Plan, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% point lower (6.15 percent) or 1% point higher (8.15 percent) than the current rate:

Plan's Net Pension Liability/(Assets)	Discount Rate - 1% (6.15%)	Current Discount Rate (7.15%)	Discount Rate +1% (8.15%)
Miscellaneous	\$ 7,216,862	\$ 4,479,822	\$ 2,212,957

Note 9: Self Insurance

The City of Agoura Hills is a member of the California Joint Powers Insurance Authority (Authority).

The Authority is comprised of 116 California public entities and is organized under a joint powers agreement pursuant to California Government Code §6500 et seq. The purpose of the Authority is to arrange and administer programs for the pooling of self-insured losses, to purchase excess insurance or reinsurance, and to arrange for group purchased insurance for property and other lines of coverage. The California JPIA began covering claims of its members in 1978. Each member government has an elected official as its representative on the Board of Directors. The Board operates through a nine-member Executive Committee.

Note 9: Self Insurance (Continued)

a. Self-Insurance Programs of the Authority

Each member pays an annual contribution at the beginning of the coverage period. A retrospective adjustment is then conducted annually thereafter, for coverage year 2012-2013 and prior. Coverage years 2013-2014 and forward are not subject to routine annual retrospective adjustment. The total funding requirement for self-insurance programs is based on an actuarial analysis. Costs are allocated to individual agencies based on payroll and claims history, relative to other members of the risk-sharing pool.

Primary Liability Program

In the Liability program, claims are pooled separately between police and general government exposures. (1) The payroll of each member is evaluated relative to the payroll of other members. A variable credibility factor is determined for each member, which establishes the weight applied to payroll and the weight applied to losses within the formula. (2) The first layer of losses includes incurred costs up to \$30,000 for each occurrence and is evaluated as a percentage of the pool's total incurred costs within the first layer. (3) The second layer of losses includes incurred costs from \$30,000 to \$750,000 for each occurrence and is evaluated as a percentage of the pool's total incurred costs within the second layer. (4) Incurred costs from \$750,000 to \$50 million, are distributed based on the outcome of cost allocation within the first and second loss layers.

For 2017-2018 the overall coverage limit for each member, including all layers of coverage, is \$50 million per occurrence. Subsidence losses have a sub-limit of \$40 million per occurrence. The coverage structure includes retained risk that is pooled among members, reinsurance, and excess insurance. More detailed information about the various levels of coverage are available on the following website: <https://cjpia.org/protection/coverage-programs>.

Workers' Compensation

The City of Agoura Hills also participates in the workers' compensation pool administered by the Authority. In the workers' compensation program claims are pooled separately between public safety (police and fire) and non-public safety exposures. (1) The payroll of each member is evaluated relative to the payroll of other members. A variable credibility factor is determined for each member, which establishes the weight applied to payroll and the weight applied to losses within the formula. (2) The first layer of losses includes incurred costs up to \$50,000 for each occurrence and is evaluated as a percentage of the pool's total incurred costs within the first layer. (3) The second layer of losses includes incurred costs from \$50,000 to \$100,000 for each occurrence and is evaluated as a percentage of the pool's total incurred costs within the second layer. (4) Incurred costs in excess of \$100,000 up to the statutory limits are distributed based on the outcome of cost allocation within the first and second loss layers.

For 2017-2018 the Authority's pooled retention is \$2 million per occurrence, with reinsurance to statutory limits under California Workers' Compensation Law. Employer's Liability losses are pooled among members to \$2 million. Coverage from \$2 million to \$5 million is purchased as part of a reinsurance policy, and Employer's Liability losses from \$5 million to \$10 million are pooled among members.

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 9: Self Insurance (Continued)

b. Purchased Insurance

Pollution Legal Liability Insurance

The City of Agoura Hills participates in the pollution legal liability insurance program which is available through the Authority. The policy covers sudden and gradual pollution of scheduled property, streets, and storm drains owned by the City of Agoura Hills. Coverage is on a claims-made basis. There is a \$50,000 deductible. The Authority has a limit of \$50 million for the 3-year period from July 1, 2017 through July 1, 2020. Each member of the Authority has a \$10 million sub-limit during the 3-year term of the policy.

Property Insurance

The City of Agoura Hills participates in the all-risk property protection program of the Authority. This insurance protection is underwritten by several insurance companies. City of Agoura Hills property is currently insured according to a schedule of covered property submitted by the City of Agoura Hills to the Authority. City of Agoura Hills property currently has all-risk property insurance protection in the amount of \$26,523,734. There is a \$10,000 deductible per occurrence except for non-emergency vehicle insurance which has a \$2,500 deductible.

Crime Insurance

The City of Agoura Hills purchases crime insurance coverage in the amount of \$3,000,000 with a \$2,500 deductible. The fidelity coverage is provided through the Authority.

c. Adequacy of Protection

During the past three fiscal years, none of the above programs of protection experienced settlements or judgments that exceeded pooled or insured coverage. There were also no significant reductions in pooled or insured liability coverage in 2017-2018.

Note 10: Commitments/Operating Leases

The City has entered into two operating leases for copiers. Lease terms are 60 months with both leases expiring in September 2022.

The following schedule lists future minimum lease payments:

<u>Year Ending June 30,</u>	<u>Equipment</u>	<u>Totals</u>
2019	\$ 4,847	\$ 4,847
2020	4,847	4,847
2021	4,847	4,847
2022	4,847	4,847
2023	1,212	1,212
<u>Total</u>	<u>\$ 20,600</u>	<u>\$ 20,600</u>

The City contracts with the Los Angeles County Sheriff's Department to provide safety services. During the year ended June 30, 2018, the City incurred expenditures of \$4,469,161 for Public Safety services.

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 11: Joint Venture

On November 24, 1997, the Agoura Hills and Calabasas Community Center Authority (Authority) was created under a joint exercise of powers agreement. It was formed for the construction, furnishing, maintenance and operation of a Joint Recreation Center. The governing Board of Directors consists of one City Council Member from each City, two residents of each City appointed by City Council, and the President or a member of the Executive Board of the Alliance (a nonprofit organization formed for the sole purpose of raising funds for the Center). The City's participation in the joint venture is reported as Investment in Joint Venture, on the statement of net position. The balance as of June 30, 2018 was \$1,793,851.

Each City contributed money towards the construction of the Community Center, which was completed in March 2001. The Authority now oversees the operations and maintenance of the Community Center. The Cities of Agoura Hills and Calabasas will equally share in any profit or loss from operation of the Community Center. Copies of the Authority's annual financial statements may be obtained from their location at 27040 Malibu Hills Road, Calabasas, California 91301.

Note 12: Contingency

There are certain legal actions pending against the City which have arisen in the normal course of operations. Management believes these matters will be covered by insurance; however, their outcome and financial effect on the City cannot presently be determined, and no provision for any potential liability or losses has been included in the financial statements as of June 30, 2018. The ultimate resolution of these pending legal actions is not expected to have a material effect on the financial position of the City.

The City has received property tax revenues for specific enforceable obligations of the former redevelopment agency that are subject to review by the Department of Finance (DOF). The DOF has disallowed certain obligations listed on the Recognized Obligation Payment Schedule (ROPS) submitted by the City. The City is continuing to dispute obligations listed as enforceable, including the City-former RDA loan advances.

 JUNE 30, 2018

Note 13: Other Post-Retirement Health Care Benefits

Plan Description

In addition to the pension benefits defined in Note 8, the City provides post-retirement health care benefits to all full-time employees in accordance with the City's contract with the Public Employees' Retirement System (PERS) for participation in the State of California Public Employees' Medical and Hospital Care Act (PEMHCA). The City's contribution for each retiree is the same as full-time employees. The City contributed the PEMHCA minimum for all retirees (\$122 and \$125 for calendar years 2015 and 2016, respectively). Additionally, the City contributes longevity pay to a Retirement Health Savings (RHS) Trust plan of up to \$500 for those retirees with 10 years of service with the City of Agoura Hills, enrolled in a CalPERS health plan. The total of the PEMHCA minimum employer contribution and the additional benefit will not exceed \$500 per month. The RHS contribution may only be used to reimburse medical premiums. In the event of the retiree's death, the CalPERS eligible surviving spouse has the right to \$300 per month to pay for medical premiums for a maximum of 12 months. After 12 months surviving spouses will still be eligible to receive the PEMHCA minimum employer contribution. The plan is an agent, multiple-employer plan administered by CalPERS through the California Employers' Retiree Benefit Trust (CERBT).

Eligibility

Employees are eligible for retiree health benefits if they retire from the City and are eligible for a PERS pension and are enrolled in a CalPERS retiree health plan. The benefits are available only to employees who retire from the City. Membership of the plan consisted of the following at June 30, 2018:

	<u>Number of Employees</u>
Active Employees	33
Inactives currently receiving benefits	9
Inactives entitles to but not yet receiving benefits	<u>3</u>
Total	<u>45</u>

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 13: Other Post-Retirement Health Care Benefits (Continued)

Contributions

The contribution requirements of plan members and the City are established and may be amended by City Council. In September 2009, the City established an irrevocable trust through CalPERS, in order to prefund its other post-employment benefit (OPEB) obligation. For the measurement date ended June 30, 2017, the City's cash contributions were \$168,000 in total payments, which were recognized as a reduction to the OPEB liability.

Net OPEB Liability

The City's net OPEB liability was measured as of June 30, 2017 and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation dated June 30, 2017 used to determine the total OPEB liability, based on the following actuarial methods and assumptions:

Valuation Date	June 30, 2017
Actuarial Cost Method	Entry Age Normal, Level Percentage of Payroll
Amortization Method	Level percent of pay
Amortization Period	21-year fixed period for 2017/18
Asset Valuation Method	Investment gains and losses spread over 5-year rolling period
Discount Rate	6.75%
General Inflation	2.75%
Medical Trend	Non-Medicare - 7.5% for 2019, decreasing to an ultimate rate of 4.0% in 2076 Medicare - 6.5% for 2019, decreasing to an ultimate rate of 4.0% in 2076
Mortality	CalPERS 1997-2015 experience study
Mortality Improvement	Mortality Improvement Scale 2017 for post-retirement mortality

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 13: Other Post-Retirement Health Care Benefits (Continued)

Expected Long-Term Rate of Return

<u>Asset Class Component</u>	<u>Target Allocation CERBT - Strategy 1</u>	<u>Expected Real Rate of Return</u>
Global Equity	57%	4.82%
Fixed Income	27%	1.47%
TIPS	5%	1.29%
Commodities	3%	0.84%
REITs	8%	3.76%
(1) Assumed Long-Term Rate of Inflation		2.75%
(2) Expected Long-Term Net Rate of Return, rounded to the nearest quarter percent		6.75%

The long-term expected real rates of return are presented as geometric means.

Discount Rate

The discount rate used to measure the total OPEB liability was 6.75 percent. The projection of cash flows used to determine the discount rate assumed that City contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected OPEB payments for current active and inactive employees and beneficiaries. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Changes in the OPEB Liability

The changes in the net OPEB liability for the Plan are as follows:

	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net OPEB Liability (c) = (a) - (b)
Balance at June 30, 2017 (valuation date June 30, 2017)	\$ 2,258,000	\$ 1,167,000	\$ 1,091,000
Changes recognized for the measurement period:			
Service cost	105,000	-	105,000
Interest	157,000	-	157,000
Contributions - employer	-	175,000	(175,000)
Net investment income	-	135,000	(135,000)
Benefit payments	(56,000)	(56,000)	-
Administrative expenses	-	(1,000)	1,000
Net changes	206,000	253,000	(47,000)
Balance at June 30, 2018 (measurement date June 30, 2017)	<u>\$ 2,464,000</u>	<u>\$ 1,420,000</u>	<u>\$ 1,044,000</u>

Note 13: Other Post-Retirement Health Care Benefits (Continued)

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability of the City if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate, for measurement period ended June 30, 2017:

	1% Decrease (5.75%)	Current Discount Rate (6.75%)	1% Increase (7.75%)
Net OPEB Liability	\$ 1,390,000	\$ 1,044,000	\$ 757,000

Sensitivity of the Net OPEB Liability to Changes in the Health Care Cost Trend Rates

The following presents the net OPEB liability of the City if it were calculated using health care cost trend rates that are one percentage point lower or one percentage point higher than the current rate, for measurement period ended June 30, 2017:

	1% Decrease	Current Healthcare Cost Trent Rates	1% Increase
Net OPEB Liability	\$ 921,000	\$ 1,044,000	\$ 1,146,000

OPEB Plan Fiduciary Net Position

CalPERS issues a publicly available financial report that includes financial statements and required supplementary information. Copies of the CalPERS' annual financial report may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, California 95814.

OPEB Expense and Deferred Outflows/Inflows of Resources Related to OPEB

For the fiscal year ended June 30, 2018, the City recognized OPEB expense of \$159,000. As of fiscal year ended June 30, 2018, the City reported deferred outflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
OPEB contributions subsequent to measurement date	\$ 189,000	\$ -
Net difference between projected and actual earnings on OPEB plan investments	-	(38,000)
Total	<u>\$ 189,000</u>	<u>\$ (38,000)</u>

The \$189,000 reported as deferred outflows of resources related to contributions subsequent to measurement date will be recognized as a reduction to net OPEB liability in the year ended June 30, 2019. Other amounts reported as deferred inflows of resources related to OPEB will be recognized as expense as follows:

Year Ended June 30	Deferred Outflow / (Inflows) of Resources
2019	\$ (9,000)
2020	(9,000)
2021	(9,000)
2022	(11,000)
	<u>\$ (38,000)</u>

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 14: Successor Agency Trust for Assets of the Former Redevelopment Agency

On December 29, 2011, the California Supreme Court upheld AB 1X 26 that provides for the dissolution of all redevelopment agencies in the State of California. This action impacted the reporting entity of the City of Agoura Hills that previously had reported a redevelopment agency as a blended component unit. The City Council elected to become the Successor Agency for the former redevelopment agency.

Successor agencies are only allocated revenue in the amount that is necessary to pay the estimated annual installment payments on enforceable obligations as approved by the Successor Agency Oversight Board and the California Department of Finance.

The Bill directed the State Controller of the State of California to review the propriety of any transfers of assets between redevelopment agencies and other public bodies that occurred after January 1, 2011. If the public body that received such transfers is not contractually committed to a third party for the expenditure or encumbrance of those assets, the State Controller is required to order the available assets to be transferred to the public body designated as the successor agency by the Bill.

a. Cash and investments

As of June 30, 2018, cash and investments were reported in the accompanying financial statements as follows:

Cash and investments	\$ 1,014,477
Cash and investments with fiscal agent	<u>324,251</u>
	<u>\$ 1,338,728</u>

b. Advance from the City of Agoura Hills

On May 15, 2013, the City received notification that a Finding of Completion has been granted, which allows for: 1) loan agreements between the former redevelopment agency and City may be placed on the ROPS as an enforceable obligation, provided the oversight board makes a finding that the loan was for a legitimate redevelopment purpose per California Health and Safety Code (HSC) section 34191.4(b)(1), and 2) utilizing proceeds derived from bonds issued prior to January 1, 2011 in a manner consistent with the original bond covenants per HSC section 34191.4(c).

The Oversight Board to the Successor Agency approved OB Resolution No. 14-23 determining that the amounts advanced to the former redevelopment agency were for legitimate redevelopment purposes. The Advance from the City of Agoura Hills as of June 30, 2018, consist of the following:

Advance from the City of Agoura Hills	\$ 28,855,625
Allowance for uncollectable	<u>(2,473,327)</u>
Advance from the City of Agoura Hills – net	<u>\$ 26,382,298</u>

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2018

Note 14: Successor Agency Trust for Assets of the Former Redevelopment Agency (Continued)

California Health and Safety Code Section 34191.4(b)(2) outlines the terms for restructuring city loans to former redevelopment agencies as follows: “the accumulated interest on the remaining principal amount of the loan shall be recalculated from origination at the interest rate earned by funds deposited into the Local Agency Investment Fund.” Management’s position is to apply the historical Local Agency Investment Fund (LAIF) rate over the life of the loan.

The California Department of Finance (DOF) has provided information regarding the recalculation of accrued interest for city loans to redevelopment agencies. The DOF applies the LAIF rate for the quarter during which the Oversight Board makes a finding that the loan was made for legitimate redevelopment purposes to the entire life of the loan. Based on this assumption, the advance from the City is recalculated to have a June 30, 2018 balance of \$28,855,578. The City has recorded an allowance for the difference between methodologies of the City and DOF. As further information becomes available, the allowance for uncollectable amounts may be adjusted in future periods.

During fiscal year ended June 30, 2018, the Successor Agency made a payment of \$357,460 to the City to pay down the balance.

c. Long-Term Debt

A description of long-term debt outstanding of the Successor Agency as of June 30, 2018, is as follows:

	Balance at July 1, 2017	Additions	Deletions	Balance at June 30, 2018	Due Within One Year
Bonds:					
Housing Set-Aside Tax Allocation Bonds					
Series 2008 – following defeasance	\$ 1,110,000	\$ -	\$ 25,000	\$ 1,085,000	\$ 25,000
Tax Allocation Bonds Series 2008 A-T	5,240,000	-	80,000	5,160,000	85,000
Total Fiduciary Long-Term Liabilities	<u>\$ 6,350,000</u>	<u>\$ -</u>	<u>\$ 105,000</u>	<u>\$ 6,245,000</u>	<u>\$ 110,000</u>

Housing Set-Aside Tax Allocation Bonds Series 2008

On June 5, 2008, the Redevelopment Agency issued \$10,000,000 in Housing Set-Aside Tax Allocation Bonds to finance low- and moderate-income housing of the Agoura Hills Redevelopment Agency. During fiscal year ended June 30, 2013, the Successor Agency defeased \$8,200,000 of this debt for a remaining bond balance of \$1,195,000 and interest rates ranging from 4.0 to 5.0 percent. The principal of the bonds is payable on their maturity date of October 1, of each year. Interest on the bond is payable on October 1, and April 1, each year. The outstanding balance at June 30, 2018 is \$1,085,000.

Tax Allocation Bonds Series 2008 A-T

On June 5, 2008, the Redevelopment Agency issued \$5,750,000 in Tax Allocation Bonds Series A-T with interest rates ranging from 4.728 to 7.842 percent to finance certain redevelopment project within the Agoura Hills Redevelopment Area. The principal of the bonds is payable on their maturity date of October 1, of each year. Interest on the bond is payable on October 1, and April 1, each year. The outstanding balance at June 30, 2018, is \$5,160,000.

The future debt service payments are as follows:

Year Ending June 30	Tax Allocation Bonds Series 2008 A-T		
	Principal	Interest	Total
2019	\$ 85,000	\$ 388,929	\$ 473,929

CITY OF AGOURA HILLS, CALIFORNIA

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018

Note 14: Successor Agency Trust for Assets of the Former Redevelopment Agency (Continued)

d. Pledged Revenue

The City pledged, as security for bonds issued, either directly or through the Financing Authority, a portion of tax increment revenue (including Low- and Moderate-Income Housing set-aside and pass through allocations) that it receives. The bonds issued were to provide financing for various capital projects, accomplish Low- and Moderate-Income Housing projects and to defease previously issued bonds. Assembly Bill 1X 26 provided that upon dissolution of the Redevelopment Agency, property taxes allocated to redevelopment agencies no longer are deemed tax increment but rather property tax revenues and will be allocated first to successor agencies to make payments on the indebtedness incurred by the dissolved redevelopment agency. Total principal and interest remaining on the debt is \$13,121,364 with annual debt service requirements as indicated above. For the current year, the debt service obligation on the bonds was \$553,317 and taxes received to pay enforceable obligations was \$1,334,683.

Note 15: Prior Period Adjustments

Beginning net position in the Statement of Activities was reduced by \$912,941 to reflect the change in accounting principle by the City in the implementation of GASB Statement No. 75. The table below describes the restatement in detail:

To remove the OPEB liability previously reported, under GASB 45	\$	10,059
To record the beginning deferred outflows of resources as of June 30, 2017 accordance with GASB 75		168,000
To record the beginning OPEB liability as of June 30, 2017, in accordance with GASB 75		<u>(1,091,000)</u>
Total Restatement of Net Position due to GASB 75	\$	<u>(912,941)</u>

Note 16: Special Items

In the current year, the City renegotiated the payment amount of an invoice with a vendor that had been accrued in a prior year. This amount of the reduction in the City's obligation is reported as a special item of \$184,159 in the nonmajor governmental funds. This was a unique occurrence for the fiscal year ended June 30, 2018, and the result of an ongoing renegotiation process with the vendor.

Note 17: Subsequent Events

During November 2018, a fire threatened the City and required the mandatory evacuation of the entire City for several days. The extent of damage to City property is unknown at this time. It is anticipated that the City will be receiving Federal and State Disaster Assistance grant monies during fiscal year 2018-19 as a result of the fires.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
 JUNE 30, 2018

Note 1: Stewardship, Compliance and Accountability

Budgetary Data

Annual budgets are adopted on a basis consistent with GAAP. As a General Law City, the City is not legally required to adopt a budget; however, the City Municipal Code requires the City Manager to prepare an annual budget based on projections received from all city departments, boards and commissions. There was no legally adopted budget for the Reyes Adobe Interchange Capital Projects Fund. All annual appropriations lapse at year end or are carried forward at the City Manager’s discretion.

The budget is prepared by fund and department and includes actual information for the past year, current year estimates and requested appropriations for the next fiscal year. The budget is a statement of the goals and objectives of the City for that fiscal year. The City Manager may authorize the transfer between expenditure accounts within the same department, office, agency or program activity. Where an appropriation requires an increase that cannot be supported by a transfer within those guidelines, City Council authorization is required.

Budgetary Information

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all governmental funds. The City is required to adopt an annual budget resolution for the General Fund and Special Revenue Funds, except the Successor Housing Agency. All annual appropriations lapse at year end but can be carried forward at the City Manager’s discretion.

The budget is prepared by fund, function and activity, and includes actual information for the past year, current year estimates and requested appropriations for the next fiscal year. The budget is a statement of the goals and objectives of the City for that fiscal year. The legal level for which expenditures are not to exceed appropriations is at the fund level for all funds except the General Fund and at the department level for the General Fund. The City Manager may authorize the transfer between expenditure accounts within the same department, office, agency or program activity. Where an appropriation requires an increase that cannot be supported by transfer guidelines, City Council authorization is required. Responsible individuals review progress against their budget each month. The City Council considers supplemental budget amendment requests during the year and reviews changes at mid-year and year end.

Excess of expenditures over appropriations per activity is as follows:

Fund	Final Budget	Expenditures	Excess
Major Funds			
General Fund			
General Government			
Automated Office System	\$ 197,927	\$ 227,639	\$ 29,712
Public Safety			
Los Angeles County Sheriff	4,387,824	4,388,260	436
Parks and Recreation			
Recreation Center	332,220	334,418	2,198

SUPPLEMENTARY SCHEDULES

DESCRIPTION OF NON-MAJOR GOVERNMENTAL FUNDS

Nonmajor Special Revenue Funds

Traffic Improvement – To account for traffic improvement and arterial street system fees paid by developers which may only be used for constructing traffic impacted arterial streets.

Traffic Safety – To account of traffic fines which may only be used for traffic safety purposes.

Transit Tax – To account for Proposition A funds received from the County of Los Angeles which may only be used to provide transportation services.

Public Transit – To account for Proposition C funds received from the County of Los Angeles which may only be used to provide transportation services.

Air Quality Management – To account for funds received from the South Coast Air Quality Management District which may only be used for air quality improvement.

Community Development Block Grant – To account for restricted housing rehabilitation loans administered with Community Development Block Grant (CDBG) funds.

Supplemental Law Enforcement – To account for Brulte funds received from the state for the use of Public Safety (COPS) programs.

Solid Waste Management – To account for the funds relating to collection, transportation and recycling of refuse materials for City residents and businesses.

State Gas Tax – To account for funds allocated to the City by the State which may only be used for street maintenance, construction, right of way acquisition and/or reconstruction.

Measure R – To account for public transit tax received under Measure R. These funds are paid by the County of Los Angeles.

Other Grants – To account for various state grant funds received for street improvements and park developments.

Inclusionary Housing – To account for in-lieu fees that are committed for the development or maintenance of housing that is affordable to low to moderate income households.

Utility Undergrounding – To account for the undergrounding of utility lines within the City undergrounding district.

Road Rehab – To account for funds allocated to the City for road maintenance and rehabilitation.

Measure M – To account for funds allocated to the City for transit projects.

Nonmajor Capital Projects Funds

Recreation Center Capital Projects – To account for the funds to be used for that are assigned for the development or maintenance of the City's recreation center.

Storm Water Capital Projects – To account for the funds to be used for the development or maintenance of the City's storm water program.

Capital Projects – To account for funds that are to be used for various capital projects throughout the City.

DESCRIPTION OF NON-MAJOR GOVERNMENTAL FUNDS (CONTINUED)

Nonmajor Debt Service Funds

Financing Authority Debt Service – To account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest.

Agoura Hills Improvement Authority – To account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest.

CITY OF AGOURA HILLS, CALIFORNIA

DESCRIPTION OF STATISTICAL SECTION CONTENTS

June 30, 2018

This part of the City of Agoura Hill's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

Contents:	Schedules
<u>Financial Trends</u> – These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.	1 - 4
<u>Revenue Capacity</u> – These schedules contain information to help the reader assess the government's most significant current local revenue source, the property tax.	5 - 8
<u>Debt Capacity</u> – These schedules present information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.	9 - 11
<u>Demographic and Economic Information</u> – These schedules offer demographic and economic indicators to help the reader understand the environment within which the government's financial activities take place.	12 - 13
<u>Operating Information</u> – These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.	14 - 16

Unless otherwise noted, the information in these schedules is derived from the Comprehensive Annual Financial Reports for the relevant year. The City implemented Statement 34 in 2003; however, the City implemented Statement 44 in 2006. Schedules presenting government-wide information include information beginning in that year.

Note: In 1978 the voters of the State of California passed Proposition 13 which limited property taxes to a total maximum rate of 1% based upon the assessed value of the property being taxed. Each year, the assessed value of property may be increased by an "inflation factor" (limited to a maximum increase of 2%). With few exceptions, property is only reassessed at a time that it is sold to a new owner. At that point, the new assessed value is reassessed at the purchase price of the property sold. The assessed valuation data shown above represents the only data currently available with respect to the actual market value of taxable property and is subject to the limitations described above. The County does not provide breakout of residential, commercial and industrial assessed values to the cities.

2018	1.0000	0.0000	0.1198	0.0035	0.0000	1.1233

Note: (1) In 1978, California voters passed Proposition 13 which sets the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of school, water and flood control district bonds. The City of Agoura Hills receives 5.85% of the 1% property tax rate.

Legal Debt Margin Calculation for Fiscal Year 2018

Assessed Valuations:	
Gross Assessed Value	<u>\$ 5,057,982</u>
Debt Limitation - 3.75% of Total Assessed Val	\$ 189,674
Less debt applicable to limitation	-
Legal Debt Margin	<u>\$ 189,674</u>

Notes: Under state finance law, the city's outstanding general obligation debt should not exceed 15 percent of total assessed property value. The Code section was enacted when assessed valuations were based on 25% of full market value. This has since changed to 100% of full market value. By law, the general obligation debt subject to the limitation may be offset by amounts set aside for repaying general obligation bonds.
