## CITY-WIDE EMERGENCY HOTLINE

When an emergency occurs in the city, please call the Emergency Hotline at (818) 597-7301 for updated information as it arrives.

## GRAFFITI HOTLINE

Please help to keep the City of Agoura Hills clean by reporting any graffiti that you see by calling (818) 597-7355. Graffiti can be reported any day or time of the week. When reporting any graffiti, it is important to leave the date and time of your call and the exact location of the graffiti, as this will help our maintenance crews in cleaning up the affected area quicker.

The City's goal is to remove any graffiti on public property within 24 hours or the next business day. Any graffiti on private property is the responsibility of the property owner and should be removed immediately. We need everyone's help in continuing to make the City of Agoura Hills "The Good Life."

*"The City of Agoura Hills reserves the right to photograph all program participants and use these photographs in a variety of mediums for the purposes of marketing and publicity of recreational programs without the expressed or written permission of the individuals."*

### THE BARBARA STANWYCK HOUSE

In 1937, Barbara Stanwyck formed a company with two partners, Zeppo Marx and Harry Hart. It was named the Devonshire Company. They purchased 120 acres of land, which was used to build a horse breeding business specializing in thoroughbreds. Miss Stanwyck used nine acres of this land for her own personal home, which was erected by architects Paul Williams and Robert Finkelhor. This home was a two-story English Tudor with five bedrooms, eight bathrooms, and four fireplaces, within 6,500 square feet. Of course, there was a pool and tennis court. Her home and grounds became known as Marwyck Ranch. On the remaining land that was the horse farm, quite a number of movies were filmed there, including "The Story of Sea Biscuit," and a Martin and Lewis comedy called "Money From Home." When Barbara Stanwyck married Robert Taylor, the house was sold to the movie star Jack Oakie, who renamed the ranch Oakridge. He lived there until his death in 1978. The house was then gifted to the City of Northridge, and is now open to tour. Lunch is at the Yard House, and is not included in the price of the trip. Established in 1923, "Ramona" has been thrilling audiences from around the world for over 90 years. More than just a love story, its pageantry and grandeur creates an aura of exuberance that you simply cannot experience anywhere else. Lunch is included in the cost of the trip, plus the driver's tip. Dinner after the pageant will be at the Golden Corral and is not included in the price of the trip. NOTE: LIGHT WALKING AND STAIRS. HANDICAPPED ACCESSIBLE. NO REFUNDS/TRANSFERS/CREDITS UNLESS YOUR SPOT CAN BE FILLED. Location: Hemet \* Shuttle Departs: Recreation Center

## Water Conservation Efforts by the City of Agoura Hills

### Why is the City watering parks and medians during a drought?

The City of Agoura Hills has historically and recently implemented a series of water conservation efforts in order to meet the recent recommendations of the Governor Brown, and the Las Virgenes Municipal Water District. These conservation efforts relate to potable water (drinking water typically used in homes), while city parks and all but two of the City's medians are watered with reclaimed/recycled water. This water is captured from the local sewer pipes and cleaned to be used in public landscaped areas to avoid using valuable potable water. Nonetheless, the City is taking steps to conserve reclaimed and potable water whenever possible.

The City of Agoura Hills takes water conservation very seriously and has implemented conservation methods throughout its facilities and is always looking to utilize native and drought tolerant landscaping wherever possible.

For any specific questions regarding water conservation efforts in the City, please contact Zach Miller at (818) 597-7367, or [zmiller@ci.agoura-hills.ca.us](mailto:zmiller@ci.agoura-hills.ca.us)

## REASONABLE ACCOMMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.

Individuals with disabilities requiring any accommodations to participate in the program in which you are registering must inform the City of Agoura Hills Department of Community Services at the time of the registration is submitted. Individuals needing such accommodations must document the need for such accommodations including the type and extent of accommodations to complete the registration form or participate in the registered programs.
