- 

Infrastructure

INFRASTRUCTURE (Public Works Subcommittee)

Current Project/Programs Currently Underway:

- A. U.S. 101/Palo Comado Interchange Construction**
- B. Kanan/Agoura Intersection Design**
- C. Kanan Corridor Project Study Report**
- D. Water Quality Treatment Plant Design/Agoura Village Park Design and Funding**
- E. Roadside Bridge Widening**
- F. Wildlife Corridor Bridge Design Review**

Proposed City Council Goals:

- Update Infrastructure of City including bike lanes, crosswalks, and sidewalks
- Implement improved signage and traffic flow on Kanan Road near U.S. 101 Interchange
- Attempt to place color coded bike lanes on all thoroughfare streets by 2022
- **Complete U.S. 101/Palo Comado Interchange**
- Install new bus benches
- **Linear park along Agoura Road at Cornell**
- **Kanan Corridor Expand Traffic Analysis; Lane Expansion**
- Beautification of Liberty Canyon area (partner with State and L.A. County), intersection improvements, landscaping, walkable path/sidewalk.
- **Complete design and secure funding for water treatment plant and attached public area**
- Make drainage improvements on Driver Avenue to prevent flooding near Agoura High School
- Lake Lindero maintenance and water quality issues, look to define if the City has a role in the maintenance of the lake
- Consider modifying lights on Agoura Road in Village

Land Use/Economic Development

LAND USE/ECONOMIC DEVELOPMENT (Land Use/Economic Development Subcommittee)

Current Projects/Programs Currently Underway:

A. Ordinances;

- **Density Bonus Ordinance Amendment (State mandated)**
- **Housing Accountability Act (State mandated - prepare streamlined, ministerial approval process for multi-family housing)**
- **Sign Ordinance Update – Phase 1 (Federal mandated)**

B. General Plan Amendments;

- **Climate Action Plan (for Greenhouse Gas Emissions Thresholds)**
- **Vehicle Miles Traveled (VMT) Thresholds (in conjunction with Engineering Department)**

C. Miscellaneous Advance Planning Items

- **Inclusionary Housing Administrative Guidelines**
- **Review potential programs to meet the Successor Housing Agency expenditure requirements**
- **House Element Update**

Proposed City Council Goals:

- **Study session to review Agoura Village Specific Plan with assistance from City's consultant(s) including an additional updated overall study from Kosmont and consideration any further studies/potential revisions for consideration by City Council**
- **Review Agoura Village Specific Plan, specifically: 3rd floor and mountain views; commercial/housing ratios; reduced square footage maximums; lighting; hotel viability, affordable housing requirements; additional multi-modal trails**
- **Study regarding possible land acquisitions and/or rezoning by City for efforts to collaborate with non-profits to construct inclusionary/affordable housing. Study to include potential partners, cost estimates and process analysis and sources of funding.**
- **Complete Sign Ordinance updates (legal requirements) but also complete a review of other components such as illuminated signs and signage for Agoura Village Specific Plan**
- **Implement proposed trail development consistent with General Plan**
- **City Sponsored State of the City**

CITY OF

AGGURA HILLS
