In 2008, it garnered the "Best Literary Mine" and was named Best Used Book Store in L.A. and Ventura Counties. In 2010, it was "Best Excuse to Buy 'Crime and Punishment.'" It is only open on Saturdays from 10:00am-4:00pm, but donations can be left at the library at any time the library is open. Not usually open for public tours, this conservancy presents a unique opportunity to visit a home base for breeding rare and endangered turtle species. Its mission is dedicated to protecting threatened turtles and tortoises and their habitats world-wide, including land acquisition and helping to restore natural populations. They work to prevent trade that threatens the species. After our tour, we will lunch at the famous Deer Lodge in Ojai, which was established in 1932, and used to be a gas station and general store. VOLUNTEER OPPORTUNITIES

Staff: Xochitl Ruwhiu, Recreation Manager

WHAT IS CERT?

Local government prepares for everyday emergencies. However, during a large disaster, the number and scope of incidents can overwhelm conventional

emergency services. The Community Emergency Response Team (CERT) traditionally known as the Disaster Response Team (DRT) in Agoura Hills; is designed to educate residents and businesses about emergency preparedness for hazards that may impact their area and instructs them in basic disaster response skills. Using the skills learned in the classroom and during exercises, CERT-trained DRT members can give critical support to their families, neighbors, and community immediately following a disaster, when residents may initially be on their own and emergency services may not be available to help.

If you would like more information about the City of Agoura Hills CERT Disaster Response Team, please contact the CERT information hotline at (818) 597-7302 or contact Louis Celaya at (818) 597-7314.
