NOTICE OF WIRELESS APPLICATION SUBMITTALS

In order to comply with the City of Agoura Hills' obligation to process wireless applications under the FCC's "Shot Clock" rules in a timely manner, during the City's scheduled holiday closures wireless siting applications will be received during normal submittal days and hours up to the end of the business day on December 12, 2019 (City Hall closes at 5:00 PM). This date allows the City to timely conduct its initial wireless application reviews prior to the holiday closures.

The City will resume normal wireless applications acceptance processes on January 2, 2019, subject to the usual City days and times for submissions of wireless applications.

Thank you.
