#### HOLLYWOOD FOREVER CEMETERY TOUR

If you are interested in the history of Hollywood, or in the many famous individuals who worked or were laid to rest here in Hollywood, this is a tour that will fascinate you. Founded in 1899, the cemetery was an integral part of the growth of early Hollywood. It was dubbed the "Cemetery of the Immortals" in the 1930's, and was listed on the National Register of Historical Sites in 1999. It is the first cemetery to offer special high-tech services which allows families to compile a personal archive of their departed, made up of videotapes, recorded messages, photographs, letters, and other memorabilia, and store them in the cemetery's data bank. These biographies can be viewed on touch screens at computer terminals at the cemetery, or worldwide on the internet. Please join us to pay respects to many of the arts' most cherished figures. Learn about their lives and their films, and about Hollywood and Paramount Studios. After our tour, we will be lunching at the House of Pies, an old favorite of ours. # VOLUNTEER OPPORTUNITIES

Staff: Nick Newkirk, Recreation Supervisor

## WHAT IS CERT?

Local government prepares for everyday emergencies. However, during a large disaster, the number and scope of incidents can overwhelm conventional

emergency services. The Community Emergency Response Team (CERT) traditionally known as the Disaster Response Team (DRT) in Agoura Hills; is designed to educate residents and businesses about emergency preparedness for hazards that may impact their area and instructs them in basic disaster response skills. Using the skills learned in the classroom and during exercises, CERT-trained DRT members can give critical support to their families, neighbors, and community immediately following a disaster, when residents may initially be on their own and emergency services may not be available to help.

If you would like more information about the City of Agoura Hills CERT Disaster Response Team, please contact the CERT information hotline at (818) 597-7302 or contact Louis Celaya at (818) 597-7314.

## REASONABLE ACCOMMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
