Personal Document Destruction

We will accept:
All types of paper (staples and paperclips are ok)
(please no magazines)

Bring up to 5 boxes of your personal papers and we'll shred them for FREE! You must drive up and not walk in with the materials to be shredded.

Only 5 boxes of paper maximum per car! Although boxes vary in size, a typical paper box (11"x12"x15") is best, but as long as it can be removed by hand from your vehicle, we will accept it. If the paper comes in plastic bags, it will be accepted also.

Due to the large volume of vehicle traffic, you will not be able to sit and watch your documents as they are being destroyed. Please rest assured that the Sheriff's Department is ensuring the proper destruction of your personal documents through a licensed/bonded document disposal company.

Electronic Waste Disposal

Most electronic items will be accepted at this event FREE OF CHARGE.

These include:
Computer equipment: Computers, Laptops, Keyboards, Printers, Scanners, Cables, Mouses, Televisions, Computer Monitors, Flat Screens.

Consumer Electronics:
VCRs, Tape Players, DVD Players, Radios, Cell Phones, PDAs

*Sorry, we will not be able to take appliances, engines, batteries, household hazardous waste, light bulbs, or any other materials not listed above at this event.

The proper destruction of items in your home such as personal documents and electronic waste is not only a great way to protect your identity, but a very healthy way to protect our environment

Donations will gladly be accepted and appreciated.
All donations will go to the Malibu/Lost Hills Sheriff's Foundation.

**WE ARE NOT ACCEPTING
MEDICATIONS OR HOUSEHOLD
ITEMS & CLOTHING THIS YEAR.**

We apologize for any inconvenience.
