

Kanan Shuttle Temporary Suspension of Service

Effective Monday, April 6, Kanan Shuttle service will be temporarily suspended until further notice.

If you need transportation and the Kanan Shuttle was your only option, please call Customer Service at **(805) 375-5473** and we will attempt to arrange transportation on Oak Park Dial-a-Ride.

We can accept requests only for essential needs and services, such as medical appointments, grocery stores and pharmacies, and work trips for those people in “exempt” classes as outlined in the Governor’s stay at home orders.

If approved, we will pick you up at the bus stop of your choice on the Kanan Shuttle route and take you to any other stop on the Kanan Shuttle route.

Please call at least 2 hours in advance. Only one passenger per trip (or one passenger plus their caregiver) permitted as we have implemented strict social distancing protocols on all dial-a-ride services.
