I live in Morrison Ranch Estates in Agoura Hills and hardly anyone in my surrounding area, including up and down Kanan Road, is wearing a face covering, regardless of age. I thought that the current order was social distancing AND face coverings if you are out of your home. I know people are wearing face coverings in the grocery stores, or other open establishments, but most people are NOT wearing a face covering when they are out and about in the neighborhood, whether walking a dog, jogging, riding a bicycle or just going for a stroll. WHAT IS THE REQUIREMENT IN AGOURA HILLS? If face coverings are required, why isn't it being enforced?

Thank you.
