---

The Law Enforcement Subcommittee held a publically noticed meeting on June 4, 2020, to get an update on the contract services provided by the Los Angeles County Sheriff's Department, including the appointment of a permanent Captain at the Malibu/Lost Hills Station.

Following the presentation by staff and a dialogue between the Subcommittee members, it was requested that a discussion item be placed on the upcoming City Council agenda to allow the full City Council to discuss Measure R (Civilian Oversight), Responsible Policing and Use of Force Reform, and the process of appointment for the regional station Captain position.

### **RECOMMENDATION**

Staff respectfully recommends the City Council discuss this item and provide any relevant feedback and direction.
