

REPORT TO CITY COUNCIL

DATE: JUNE 24, 2020

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

**BY: NATHAN HAMBURGER ASSISTANT CITY MANAGER
JOHN TREICHLER ADMINISTRATIVE ANALYST**

SUBJECT: APPROVAL OF AGREEMENT FOR CONTRACTOR SERVICES WITH ALL CITY MANAGEMENT SERVICES, INC., FOR CROSSING GUARD SERVICES

The purpose of this item is to seek City Council approval for the City to extend an agreement for contractor services with All City Management Services, Inc., to provide Crossing Guard services to the City. Staff is recommending the approval of a three-year agreement.

Under the original contract dated July 1, 2015, the City had the option to extend the existing agreement for an additional time period of up to two one-year extensions of the contract for a total of five years. The last extension was honored and completed at the close of this year's 2020/2021 school year.

Due to the circumstances regarding the COVID-19 pandemic, the school year was cut short in March 2020, and a credit was obtained for the remainder of the current school year. This credit has been included in fiscal year 2020/2021 proposed budget. All City Management Services, Inc., has agreed to hold their rates other than the minimum wage legal requirements, not only for the upcoming school year, but for the next two years until June 30, 2023.

The minimal annual increase provided by All City Management Services, Inc., not only assists the City with its current budget, but also reflects the California mandated increase of minimum wage, that is required until 2022, when it will eventually be at \$15.00 per hour.

The proposed pricing for each school year is as follows:

School Year: 2020/2021				
Guard Locations	Hrs./Day	Days/Yr.	Hourly Rate	
6	18	180	\$22.91	\$74,228.40
1	4	180	\$22.91	\$16,495.20
			TOTAL	\$90,723.60

School Year: 2021/2022				
Guard Locations	Hrs./Day	Days/Yr.	Hourly Rate	
6	18	180	\$24.56	\$79,574.40
1	4	180	\$24.56	\$17,683.20
			TOTAL	\$97,257.60
School Year: 2022/2023				
Guard Locations	Hrs./Day	Days/Yr.	Hourly Rate	
6	18	180	\$26.21	\$84,920.40
1	4	180	\$26.21	\$18,871.20
			TOTAL	\$103,791.60

The crossing guard funds currently are accounted for under the Traffic Safety Fund and General Fund for the upcoming fiscal year.

All City Management Services, Inc., has served the City of Agoura Hills and the Las Virgenes School District with exceptional service, and has continued that success since the award of their current contract, back in June of 2015. In providing this service, they have also been able to provide employment opportunities for residents in the surrounding areas. City staff has been pleased with the work performed by All City Management Services, Inc., throughout the years and is confident that the firm will continue to provide high quality services.

At this time, the upcoming school year is scheduled to begin on August 19, 2020, and All City Management Services, Inc., will provide their staff with all of the necessary personal protective equipment while they provide their services to the City's residents and students. These requirements will continue until further notice, as we all do our part to protect one another during the COVID-19 pandemic.

In addition, City staff is working with All City Management Services, Inc., on what their protocols will be if the Las Virgenes School District has any schedule changes or if they change to a rotating schedule. They will also be providing us with their protocol if a staff member gets sick and how they plan to handle replacing them at that particular location.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff respectfully recommends the City Council approve the Agreement for Contractor Services with All City Management Services, Inc., to provide Crossing Guard services for the next three school years 2020-2023.

1. TERM

This Agreement shall commence on July 1, 2020, and shall remain and continue in effect until tasks described herein are completed, but in no event later than June 30, 2023, unless sooner terminated pursuant to the provisions of this Agreement.

The City may, at its option, extend this Agreement for one additional term of two years upon providing written notice of its intent to extend this Agreement to the Contractor not less than thirty (30) days prior to the expiration of the initial Term.

Contractor shall perform the services and tasks described and set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Contractor shall complete the tasks according to the schedule of performance which is also set forth in Exhibit A.

3. PERFORMANCE

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

4. PREVAILING WAGES

A. Prevailing wages are required on all CITY agreements involving construction, design, and preconstruction phases of construction (including, but not limited to, inspection and land surveying work), and maintenance (except for janitorial or security guards) for work on CITY property.

B. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute by this Contractor from the Director of the Department of Industrial Relations. 6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of

the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "**PAYMENT**" herein.

In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

8. OWNERSHIP OF DOCUMENTS

A. Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. Contractor shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to the representatives of City or its designees at reasonable times to such books and records, shall give City the right to examine and audit said books and records, shall permit City to make transcripts therefrom as necessary, and shall allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

B. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the work, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused or otherwise disposed of by the City without the permission of the Contractor. With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

9. INDEMNIFICATION

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractors in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. A. Contractor is and shall at all times remain as to the City a wholly independent Contractor. The personnel performing the services and tasks under this Agreement on behalf of Contractor shall not be City employees and shall at all times be under Contractor's exclusive direction and control. Contractor and all of Contractor's personnel shall possess the qualifications, permits, and licenses required by state and local law to perform the services and tasks under this Agreement, including, without limitation, a City business license as required by the Agoura Hills Municipal Code. Contractor shall determine the means, methods, and details by which Contractor's personnel will perform the services and tasks. Contractor shall be solely responsible for the satisfactory work performance of all personnel engaged in performing the services and tasks, and compliance with the customary professional standards. Neither City nor any of its officers, employees, agents, or volunteers shall have control over the conduct of Contractor or any of Contractor's officers, employees, or agents.

B. Contractor shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of City. Contractor and Contractor's personnel shall not supervise any of City's employees; and City's employees shall not supervise Contractor's personnel. Contractor's personnel shall not wear or display any City uniform, badge, identification number, or other information identifying such individual as a City employee; and Contractor's personnel shall not use any City e-mail address or City telephone number in the performance of any of the services and tasks under this Agreement. Contractor shall acquire and maintain at its sole cost and expense such vehicles, equipment, and supplies as Contractor's personnel require to perform any of the services and tasks required by this Agreement. Contractor shall perform all services and tasks off of City premises at

locations of Contractor's choice, except as otherwise may from time to time be necessary in order for Contractor's personnel to receive projects from City, review plans on file at City, pick up or deliver any work product related to Contractor's performance of any services and tasks under this Agreement, or as may be necessary to inspect or visit City locations and/or private property to perform the services and tasks. City may make a computer available to Contractor from time to time for Contractor's personnel to obtain information about, or to check on, the status of projects pertaining to the services and tasks performed under this Agreement. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner.

Except for the fees paid to Contractor as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Contractor for performing services and tasks hereunder for City. City shall not be liable for compensation or indemnification to Contractor for injury or sickness arising out of performing services and tasks hereunder. Notwithstanding any other agency, state, or federal policy, rule, regulation, statute, or ordinance to the contrary, Contractor and any of its officers, employees, agents, and subcontractors providing any of the services and tasks under this Agreement shall not become entitled to, and hereby waive any claims to, any wages, salaries, compensation, benefit, or any incident of employment by City, including, but not limited to, eligibility to enroll in, or reinstate to membership in, the California Public Employees Retirement System ("PERS") as a City employee, and entitlement to any contribution to be paid by City for employer contributions or employee contributions for PERS benefits.

D. Contractor shall indemnify and hold harmless City and its elected officials, officers, employees, servants, designated volunteers, and agents serving as independent contractors in the role of City officials, from any and all liability, damages, claims, costs, and expenses of any nature to the extent arising from, caused by, or relating to Contractor's personnel practices, or to the extent arising from, caused by, or relating to the violation of any of the provisions of this Section. In addition to all other remedies available under law, City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this Section. This duty of indemnification is in addition to Contractor's duty to defend, indemnify, and hold harmless as set forth in any other provision of this Agreement.

11. PERS COMPLIANCE AND INDEMNIFICATION

A. General Requirements. The parties acknowledge that City is a local agency member of PERS, and as such has certain pension reporting and contribution

obligations to PERS on behalf of qualifying employees. Contractor agrees that, in providing its employees and any other personnel to City to perform the services and tasks under this Agreement, Contractor shall assure compliance with the Public Employees' Retirement Law, commencing at Government Code Section 20000, the regulations of PERS, and the Public Employees' Pension Reform Act of 2013, as amended. Without limitation to the foregoing, Contractor shall assure compliance with regard to personnel who have active or inactive membership in PERS and to those who are retired annuitants and in performing this Agreement shall not assign or utilize any of its personnel in a manner that will cause City to be in violation of the applicable retirement laws and regulations.

B. Indemnification. Contractor shall defend (with legal counsel approved by City, whose approval shall not be unreasonably withheld), indemnify, and hold harmless City, and its City and its elected officials, officers, employees, servants, designated volunteers, and agents serving as independent contractors in the role of City officials, from any and all liability, damages, claims, costs and expenses of any nature to the extent arising from, caused by, or relating to Contractor's violation of any provisions of this Section. This duty of indemnification is in addition to Contractor's duty to defend, indemnify, and hold harmless as set forth in any other provision of this Agreement.

12. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

1) Insurance Services Office Commercial General Liability form No. CG 00 01 11 85 or 88, or equivalent.

2) Insurance Services Office Business Auto Coverage form CA 00 01 06 92, or equivalent, covering Automobile Liability, code 1 (any auto). If the Contractor owns no automobiles, a non-owned auto endorsement to the General Liability policy described above is acceptable.

If the Contractor has no employees while performing under this Agreement, worker's compensation insurance is not required, but Contractor shall execute a declaration that it has no employees.

B. Minimum Limits of Insurance. Contractor shall maintain limits no less than:

1) General Liability: A minimum of \$1,000,000 per occurrence for bodily injury, personal injury and property damage, including without limitation, blanket

contractual liability. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit, but up to \$5,000,000 of excess liability.

2) Automobile Liability: \$1,000,000 per accident for bodily injury and property damage for all activities of the Contractor arising out of or in connection with work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rental vehicles.

C. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City Manager. At the option of the City Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Vendor maintains higher limits than the minimums shown above, the Agency requires and shall be entitled to coverage for the higher limits maintained by the Vendor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Agency.

E. Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees or volunteers.

2) For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insured maintained by the City, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

3) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees or volunteers.

5) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the City. Contractor agrees to oblige its insurance agent or broker and insurers to provide City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. Self insurance shall not be considered to comply with these insurance requirements.

G. Verification of Coverage. **Contractor shall furnish the City with original endorsements, specifically naming the City of Agoura Hills, its officers, officials, employees and volunteers as additional insured, effecting coverage required by this clause..** The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms acceptable to the City. Insurance certificates and endorsements must be received and approved by City's Risk Manager prior to commencement of performance. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

officers, employees or agents of the City. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner.

B. No employee benefits shall be available to Contractor in connection with the performance of this Agreement.
