**THE AGOURA HILLS/CALABSAS COMMUNITY CENTER
BOARD IS LOOKING FOR PUBLIC INPUT**

During the temporary closure of the Agoura Hills/Calabasas Community Center, the JPA Board of Directors, with the two cities and Center staff, are currently working on a new business plan and restructure of the Center. The Board is looking for public input and feedback regarding the Center and its purpose in 2021 and beyond. Please send your comments and ideas to Executive Director Brianne Anderson at brianne@ahccc.org. The non-profit arm of the AHCCC, the Community Center Alliance is looking for new members to revitalize and work on fundraising strategies for the Center moving forward.

If you are interested in becoming a part of this new chapter or are interested in making a financial contribution to support the Center, please reach out to the Executive Director at brianne@ahccc.org and she can connect you with the CCA.

The Board looks forward to serving the community again and hearing from its members, residents, and site visitors.
