**AHMC 3201 Oversize vehicles;  
parking within residential zone.**

a.) No person shall park or leave standing upon any public street or highway within a residential zone, as shown on the official zoning map of the City as may be amended, any oversize vehicle at any time between the hours of 9:00 a.m. and 5:00 p.m. For the purposes of this section, the term "oversize vehicle" shall mean any vehicle or combination of vehicles which exceeds twenty feet (20') in length, eighty inches (80") in width, or eighty-two inches (82") in height, exclusive of projecting lights or devices allowed by Sections 35109, 35110, or 35112 of the Vehicle Code as may be amended.

b) This section shall not apply to any person who is actually engaged in the loading or unloading of any non-commercial oversize vehicle or is actually engaged in making emergency repairs thereon. Further, this section shall not apply to any commercial oversize vehicle making pickups or deliveries of goods, wares, and merchandize from or to any building or structure located on a public street or highway within a residential zone or delivering materials to be used in the actual and bona fide repair, alternation,

remodeling, or construction of any building or structure upon a public street or highway within a residential zone for which a building permit has previously been obtained.

c) Violation of this section is hereby deemed to be an infraction and is punishable according to the provisions of Section 1200(b) of this Code. Furthermore, pursuant to Section 22651 of the Vehicle Code, any oversized vehicle parked or left standing on a public street or highway in a residential zone in violation of this section may be removed from the street or highway upon which such vehicle is parked or left standing.

**AHMC 3202 Commercial Vehicle -  
Emergency Parking**

a) No person shall park or leave standing upon any public street or highway any commercial vehicle having a manufacturer's gross vehicle weight rating or 10,000 pounds or more at any time between the hours of 2:00 a.m. and 6:00 a.m.

b) This section shall not apply to any person who is actually engaged in making emergency repairs on a

commercial vehicle subject to the provisions of this section.

c) Violation of this section is hereby deemed to be an infraction and is punishable according to the provisions of Section 1200(b) of this Code. Furthermore, pursuant to Section 22651 of the Vehicle Code, any commercial vehicle having a manufacturer's gross vehicle weight rating of 10,000 pounds or more parked or left standing on a public street or highway in violation of this section may be removed from the street or highway upon which such vehicle is parked or left standing.

**AHMC 3203 Oversize vehicles;  
parking pass within residential zones.**

Notwithstanding the provisions of Section 3201 of the AHMC, an oversize vehicle, as defined in Section 3201, may be parked in a residential zone if a one-day parking pass is issued pursuant to this section. The purpose of the oversize vehicle parking pass is to give owners of oversize vehicles an opportunity to park adjacent to their residences for loading and unloading and to allow out-of-town visitors to park in front of the residence which they are visiting for a limited time period during the hours otherwise prohibited by Section 3201.
