Honorable City Council, elected officials, etc.,

My name is Chris Chai. I'm writing this to express my strong opposition to Prop 16. Proposition 16 uses race to judge the qualifications of applicants to universities, to jobs, etc., This is a textbook definition of racism, pure and simple. If it is passed, how far will we slide down this slippery, dangerous slope? What's next? Set racial quota for elected positions? Set racial quota for NBA and NFL? Set racial quota for TV anchors? Set racial quota for movies and songs?

Please join us to vote "NO" against proposition 16. Please read out my comments in the meeting.

Thanks,

a very concerned citizen

Dear City Council, elected officials, etc,

My name is Josh Semoore. I'd like to express my feeling about Proposition 16 and urge anyone who disgusts racial discrimination to vote AGAINST it on November 3rd.

Proposition 16 is against the law and is legalizing discrimination!  
Please help to stop discrimination of any race in our community and in our state. I believe we should treat everyone equally; give them the opportunity to become successful in this great state. Please read out my comments in the meeting.

Vote NO on Prop 16!

Sincerely,

Josh
