

Virtual Path to Positive Aging Series

Updates During COVID-19: Where we have been, where we are now and what to expect

A Conversation with Dr. Carlo Reyes, Assistant Medical Director at Los Robles Medical Center

COVID-19
UPDATE

When:

Tuesday,
November 10th, 2020
4:00 pm to 5:00 pm

Location:

Zoom Virtual Seminar

RSVP:

Please register online at <https://www.seniorconcerns.org/seminars/>
or email questions to:
info@seniorconcerns.org

Join this workshop to:

- ✓ Hear from a current Emergency Room doctor on how you can stay safe and healthy during the COVID-19 pandemic.
- ✓ Discuss the path of COVID-19 as it has affected Ventura County and where we are now
- ✓ Discuss current clinical approaches to treatment of COVID-19, including hospital care, treatments, and vaccine status.
- ✓ Learn about the recent statistics and the trajectory for the next 6 months
- ✓ Hear more about how COVID-19 impacts the rest of the world. Including what we have learned about best practices by other countries throughout the world.

Presented By: Carlo Reyes MD JD

Dr. Reyes is a board-certified emergency physician at Los Robles Hospital, the Assistant Medical Director, and the immediate past Vice Chief of Staff. He is Associate Clinical Professor at the UCLA David Geffen School of Medicine. Dr. Reyes attended Southwestern Law School where he received several national brief writing awards. Dr. Reyes practices healthcare law with Boyce Schaeffer Mainieri, LLP.
