Agoura Hills... Gateway To The Santa Monica Mountains

Balancing the Holiday Season during COVID-19

COVID-19 continues to impact our daily lives and this will continue throughout this year's holiday season.

When you are making plans for the holidays please remember to be safe in your celebrations to help mitigate the risk of transmitting COVID-19 in our community. Being safe and smart means adhering to the restrictions currently put in place by Los Angeles County's Public Health Order.

And please, this year, remember that singing, chanting, and shouting at outdoor gatherings significantly increases your risk of contracting or transmitting COVID-19. 🌿

For more information on how to safely gather this holiday season visit www.lapublichealth.org.

How to Safely Gather:

- Private gatherings that include more than three household are prohibited
- All private gatherings must be held outside
- All attendees must adhere to social distancing protocols and wear a mask face covering

Fortunately, the Agoura Hills Community has an expansive selection of local businesses, restaurants and services to choose from.

These businesses have been dealt an extraordinarily difficult hand amidst the COVID-19 pandemic. Many shops have been asked to close or modify their practices at one point or another.

This Holiday Season we ask that when you venture out to do your shopping,

to visit restaurants, or for anything else you might need, that you do so locally. Our business community thrives on the support of our residents. 🌿

City Council Meetings

Please note that we are currently holding these meetings at via Zoom Webinar until further notice. Meetings can be livestreamed by visiting our website at www.agourahillscity.org.

- December 9, 2020 - 6pm
City Council Reorganization Meeting
- December 16, 2020 - 6pm

Help support the community amidst the recovery and **LIVE LOCAL.**

VIRTUAL STATE OF THE CITY

The City of Agoura Hills and the Greater Conejo Valley Chamber of Commerce held the 8th Annual Agoura Hills State of the City Address, featuring keynote speaker Mayor Illece Buckley Weber, on October 28, 2020.

Mayor Illece Buckley Weber addressed the current state of the City of Agoura Hills as the community continues to navigate COVID-19 and how some of our local businesses have adapted. She also announced the 2020 Agoura Hills Business of the Year and Tom Cohen of Cohen, Begun & Deck and Chair of the Chamber Board gave a State of the Chamber address. 🌿

To view the Virtual State of the City full video please visit this link:

City of Agoura Hills Observed Holidays

Although City Hall & the Recreation & Event Center continue to be closed, staff is working diligently to serve our community. Even though we are closed, you can still reach staff by email at info@agourahillscity.org. Our website also has information regarding all city services at www.agourahillscity.org 🌿

Our staff will be observing the following holidays this year:

- Thanksgiving Day
- Friday after Thanksgiving
- Christmas Eve
- Christmas Day
- New Year's Eve
- New Year's Day

Public Safety Power Shutoffs (PSPS) How to be Prepared

When there are potentially dangerous weather conditions in fire-prone areas, Southern California Edison may need to call a Public Safety Power Shutoff (PSPS) event.

This event may temporarily shut off power to your neighborhood to prevent their electric system from becoming the source of an ignition. Turning off power to the community is not something that is taken lightly, but PSPS events are one of the ways to better ensure the safety of the public.

Follow these tips in case of potential power shut offs during COVID-19.

- Install surge protectors to help safeguard electronic equipment
- Familiarize yourself with your home's utility boxes (electricity, water and gas) and how to turn them off; keep the proper tools handy
- Frequently back up important work and files on your computer
- Learn how to manually open your automatic garage doors or gates
- Keep the gas tank in at least one car half full
- You can safely use a portable gas generator in an outdoor location during a power outage - never use it indoors
- Make a safety preparedness plan for your family, including a list and location of the above items and a plan for how pets will be cared for
- Be prepared to meet the special needs of any infant, elderly, or disabled people in your household

Build your own safety kit with the following:

- + FIRST AID KIT
- + SPECIAL-NEEDS ITEMS FOR INFANTS THE ELDERLY, OR THE DISABLED
- + PRESCRIPTION MEDICATIONS
- + BATTERY-OPERATED RADIO
- + BOTTLED WATER
- + NON-CORDLESS PHONE
- + FLASHLIGHTS & BATTERIES
- + NON-PERISHABLE FOOD

More information regarding the PSPS events can be found at SCE's website:
www.sce.com/safety/wildfire/psps 🌿

Residential Door-to-Door HHW/E-Waste Collection Event December 2020

At Your Door
Special Collection™

Mark your calendars for the next Door-to-Door Household Hazardous Waste/E-Waste collection for 2020.

The service is free to all Agoura Hills residents. To schedule an appointment simply contact "At Your Door Special Collections" at **(800) 449-7587** starting the first day of December or log on to www.wmatyourdoor.com and select the "Request a Collection" button. You can also make an appointment by email atyourdoor@WM.com.

The deadline date for
scheduling an appointment is
Friday, December 11, 2020

+ ACCEPTABLE ITEMS:

Most common household hazardous waste and electronic waste, Sharps and non-controlled medicines.

- NON-ACCEPTABLE ITEMS:

Ammunition, Explosives, Asbestos, Liquid Mercury, Pressured Cylinders, Materials in Unlabeled or Leaking Containers.

+ One bag per household. All items must fit inside kit bag, provided by At Your Door Special Collections and be sealed.

+ Electronic items are left outside the bag.

RESIDENTS OF UNINCORPORATED AGOURA AND OAK PARK ARE NOT ELIGIBLE.

For more information, contact **(818) 597-7314** or **(805) 495-7521**. 🌿

Permitted Solid Waste Collectors – Temporary Bins

Are you aware that you have several choices for temporary solid waste bin service for those construction projects?

The City has seven (7) permitted solid waste collectors from which you can select from. Each of these collectors is permitted to provide temporary bin service in the residential sector for your needs, and allows you to select the best price available. You should only use

permitted collectors as they are required to divert a minimum of 50% of the waste collected from local landfills. Use of unpermitted collectors is not allowed. So the next time you need a temporary bin for that construction project, visit the City's website to obtain a list of the permitted collectors. You can also contact City Hall at (818) 597-7314 to check to see if the collector you are using is permitted. 🌿

2020 Christmas Tree Recycling Program

Agoura Hills will Participate in the County Sanitation Districts of Los Angeles County's Annual Christmas/Holiday Tree Recycling Program.

This "free" service provides Agoura Hills residents the opportunity to "recycle" their Christmas trees and extend the useful life of our local landfills. Flocked and fire retardant trees are also accepted! The trees are collected by Waste Management/G.I. Industries on your regular pick-up day.

Christmas trees collected this year will again be taken to the Calabasas landfill for recycling. The program will begin on **December 26, 2020** and runs until the second week in January.

How to Participate?

Simply "cut up" your tree to fit inside your green waste container. Place your green waste container out on your regular collection day. Waste Management/G.I. Industries will collect it as part of the regular green waste collection.

Special collections are available, but customers must contact Waste Management/G.I. Industries for an appointment. There will be a charge for special collections. If you have any questions, please contact Solid Waste Solutions toll free at (805) 495-7521, or City Hall at (818) 597-7314. 🌿

Sign Up for Social Media

Find the City of Agoura Hills on social media!

We use a host of social media platforms to disseminate important updates regarding the city. While much of our information is relayed across all of our platforms, we encourage our residents to follow us on all of our different outlets for the most up to date information regarding our city.
