

REPORT TO CITY COUNCIL

DATE: FEBRUARY 10, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: NATHAN HAMBURGER, CITY MANAGER

BY: RAMIRO ADEVA, ASSISTANT CITY MANAGER

SUBJECT: ADOPTION OF RESOLUTION NO. 21-1966 OF THE CITY COUNCIL OF THE CITY OF AGOURA HILLS, CALIFORNIA, RATIFYING AND CONFIRMING THE DIRECTOR OF EMERGENCY SERVICES' EXECUTIVE ORDER NO. 2021-01, AN EXECUTIVE ORDER OF THE DIRECTOR OF EMERGENCY SERVICES OF THE CITY OF AGOURA HILLS AUTHORIZING DESIGNATED ESTABLISHMENTS TO CONDUCT TEMPORARY OUTDOOR OPERATIONS WITH ISSUANCE OF A TEMPORARY OUTDOOR OPERATIONS PERMIT, CONSISTENT WITH THE COUNTY OF LOS ANGELES DEPARTMENT OF HEALTH REOPENING PROTOCOLS

On January 15, 2021, all temporary outdoor permits issued by the City for outdoor dining, as well as outdoor operations for commercial and non-commercial establishments, expired.

On January 25, 2021, the California Public Health Department lifted the regional Stay-at-Home Order that had, among other things, prohibited outdoor dining at restaurants. Subsequently, the Los Angeles County Public Health Department issued a News Release indicating its intent to align with the State Health Officer Order, which allowed for immediate reopening of specific sectors as follows:

- Private gatherings outdoors up to 3 households and up to a total of 15 people
- Museums, zoos, aquariums outdoor operations at 50% occupancy
- Cardrooms outdoor operations at 50% occupancy
- Miniature golf, go karts, batting cages outdoor operations at 50% occupancy
- Outdoor recreational activities are open
- Hotels and motels for tourism and individual travel allowed
- Fitness facilities open for outdoor operations
- Personal care services open indoors at 25% capacity
- Indoor mall, shopping center, lower-risk retail open at 25% indoor capacity; food courts and common areas closed

Additionally, outdoor dining was to be reinstated by Friday, January 29, 2021.

Given the news that outdoor dining was going to resume, along with immediate reopening of various sectors, it was necessary to act expeditiously to ensure businesses in the City would have the necessary permits in place to operate outdoors.

On January 25, 2021, the same day the State lifted the Regional Stay-At-Home Order, the COVID-19 Ad Hoc Committee (Mayor Weber and Mayor Pro Tem Lopez) met with staff. The committee was adamant about prioritizing any actions needed to ensure businesses were ready to reopen outdoors, and directed staff to take the necessary steps to develop a process to do so.

On January 27, 2021, Executive Order 2021-01 was executed by the City's Director of Emergency Services, establishing a process to issue Temporary Outdoor Operations Permits, consistent with the County of Los Angeles Department of Health Reopening Protocols.

Executive Order 2021-01 allowed for permits to be issued immediately, ensuring that businesses could operate outdoors. The permits expire on March 1, 2021. This ensures the most flexibility to adjust to the ever-changing regulations and orders if needed, while maintaining the ease of granting permit extensions if that is most appropriate.

Staff requests the City Council find the Director's Executive Order No. 2021-01 to be necessary for continued protection of life and property affected by the COVID-19 crisis. Municipal Code Section 3605(a)(7)a requires that such rules and regulations issued by the Director are to be ratified and confirmed at the earliest practicable time by the City Council.

RECOMMENDATION

Staff respectfully recommends the City Council adopt Resolution No. 21-1966, ratifying and confirming the Director of Emergency Services' Executive Order No. 2021-01, an Executive Order of the Director of Emergency Services of the City of Agoura Hills authorizing designated establishments to conduct temporary outdoor operations with issuance of a temporary outdoor operations permit, consistent with the County of Los Angeles Department of Health Reopening Protocols.
