- Gyms, Fitness Centers, Yoga and Dance Studios can open indoors at 10% capacity with masking requirement for all indoor activities.

- Indoor Shopping Malls can increase capacity to 50% with common areas remaining closed; food courts can open at 25% capacity adhering to the restaurant guidance for indoor dining.
- Institutes of Higher Education can re-open all permitted activities with required safety modifications except for residential housing which remains under current restrictions for the Spring semester.
- Schools are permitted to re-open for in-person instruction for students in grades 7-12 adhering to all state and county directives.
- Private gatherings can occur indoors with up to 3 separate households, with masking and distancing required at all times. People who are fully vaccinated can gather in small numbers indoors with other people who are fully vaccinated without required masking and distancing.
