VIRTUAL PUBLIC WORKSHOP

for the Draft Updated Enhanced Watershed Management Program for the Malibu Creek Watershed

Your local public agencies invite you to a workshop to discuss the Draft Updated Enhanced Watershed Management Program (EWMP) for the Malibu Creek Watershed as part of the Los Angeles County Municipal Stormwater Discharge Permit. All interested parties are encouraged to attend to be a part of this important and proactive process for our area.

You'll learn about the background and purpose of the Draft Updated EWMP as well as potential projects and have an opportunity to provide comments and input. Comments and input from the workshop will be used in the modification and selection of the proposed projects. *Please join us and help us to protect and improve water quality in the region.*
