Restoring Chesebro Creek

Honorable Mayor and City Council,

PRISMM encourages the City of Agoura Hill to reconsider burying Chesebro Creek during construction of the new Linear Park but, instead, restore the Creek in keeping with the AVSP.

The likely reason the Plan called for restoration of the creek was to maintain the rural feel that is such a big part of Agoura Hills. A creek in the linear park with running water, lined by trails for pedestrians and equestrians fits right in with the quaint environment the AVSP repeatedly states as its creative purpose.

Respectfully,

Rae Greulich  
PRISMM
