Article 13-b of the California State Constitution, known as Proposition 4, the Gann Initiative, was passed by the citizens of California on November 6, 1979. Proposition 4 placed limitations on the amount of annual appropriations "from the proceeds of taxes" for state and local governments. The legislation also provided a method to calculate the annual appropriation limit, using a growth factor comprised of the Consumer Price Index (CPI) for California per capital income and the percentage change in population. The City of Agoura Hills appropriation limit for the General Fund from the "proceeds of taxes" for Fiscal Year 2021-22 is \$19,921,149.

The City has a two-year budget plan. This year, staff will recommend the adoption and appropriation of the Fiscal Year 2021-22 Annual budget. Furthermore, staff recommends the approval of the Fiscal Year 2022-23 Annual budget. The General Fund operational budget is balanced. Revenues are projected to be \$18.2 million, inclusive of the American Rescue Plan (ARPA) funds. This year the Federal Government passed the American Rescue Plan, which provided economic relief to local governments. The City is estimated to receive \$4.8 million in two installments of approximately \$2.4 million in June of 2021 and 2022. The money comes with restrictions, and is eligible to be used for revenue replacement for the provision of government services, to the extent the reduction in revenue is caused by COVID -19. The City has until December 2024 to use the money, and is still reviewing the proposed guidelines.

Proposed expenditures are recommended at \$16.3 million, with operating transfers of \$1.0 million (\$17.3 million total). Public safety continues to be one of the highest priorities, at 28% of the General Fund budget, to fund various programs. These include patrol and traffic personnel, a juvenile intervention team, a shared crime analyst, school crossing guards, and animal control services.

On June 9, 2021, the City Council held a budget workshop, extensively covering all budget matters, and direction by the City Council has been incorporated into the final budget.

Some of the proposed adjustments include: a pilot program providing before school supervision for Willow and Sumac elementary schools to allow for staggering drop-off times which improves traffic flow on major thoroughfares, has been included in the Fiscal Year 2021-22 and 2022-23 Budget. Additionally, the ARPA funds have been increased from the previous estimate of \$1.9 million in 2021-22 to \$2.4 million, due to updated information received from the Federal Government.

The City follows the practice of meeting and consulting with City employees on matters such as working conditions, classifications, and compensation, including salaries and benefits. As a result of the consultation sessions with the City employees for FY 2021-2023, the City agreed to a two-year compensation package:

### Fiscal Year 2021-22

- 3% Cost of Living Adjustment (COLA) based on the annual average of the Consumer Price Index (CPI) as listed by the U.S. Department of Labor Statistics, Urban Wage Earners, and Clerical Workers for Los Angeles, Riverside, and Orange Counties for year ending 2020, which will be effective the pay period of June 18, 2021
- Increase the required PERS contribution from Classic Employees from 1.4% to 2%. This is not applicable to Public Employees' Pension Reform Act (PEPRA) employees.

Effective July 1, 2021-December 31, 2021, it is proposed that the Flexible Benefits
Plan offered by the City to its employees be amended to include an employer
contribution amount up to the 2021 Blue Shield Access HMO Region 2 Family rate
of \$2,441.30 per month, which includes the minimum contribution required under
the Public Employees' Medical and Hospital Care Act (PEMHCA), plus the Vision
Service Provider (VSP) family rate.

On January 1, 2022, the City will increase its employer contribution limit for health insurance to \$2,500 per month, which will include the minimum contribution required under PEMCHA plus the VSP rate.

• One-time vacation cash-out of up to 40 hours for full-time employees by the last payroll in June 2022. This will only be granted to those employees that are within 50 hours of their vacation accrual cap.

### Fiscal Year 2022-23

- The COLA will be based on the 2021 CPI index
- PERS contribution from Classic Employees will increase by one-half percent less than the COLA based on the 2021 CPI index
- City's maximum limit of employer contribution to health insurance remains at \$2,500 per month per employee.

On February 22, 2017, Resolution No. 17-1836, was adopted by the City Council, establishing the guidance on applying the cost-sharing formula for employer-employee contributions to PERS. Staff is recommending that Resolution No. 17-1836 be rescinded and replaced with Resolution No. 21-1981, which includes language consistent with the aforementioned employer contributions specific to the next two fiscal years only. At the conclusion of FY 2022-23, the intent will be to return to the original cost sharing formula.

Effective June 4, 2021, the Community Services Director position is budgeted as a full-time position, rather than a ¾-time position. Effective June 18, 2021, the Associate Civil Engineer position is also budgeted as a full-time position, rather than a ¾-time position. Additionally, the salary ranges for the part-time Land Use Technician and Public Safety Liaison Officer were adjusted to bring them in line with the market.

Consistent with past practice, the City Councilmembers are offered the ability to participate in the healthcare plans offered by the City. It is proposed that the same amendments to the Flexible Benefits Plan stated above be offered to the Councilmembers through the adoption of Resolution No. 21-1980.

Pursuant to the employment agreement between the City and City Manager, the City Council has recommended that the agreement be amended to increase the City Manager's pay by five percent (5%), which would establish Mr. Hamburger's base

monthly salary to two hundred forty seven thousand eight hundred dollars (\$247,800) per year. Staff has prepared an amendment to the City Manager's employment agreement for the City Council's consideration. This amendment, if adopted, would be effective with the pay period beginning June 18, 2021.

The above recommendations are incorporated within the proposed budget for fiscal years 2021-22 and 2022-23. The fiscal year 2021-22 budget for the City of Agoura Hills is \$28.2 million, which includes approximately \$21.6 million in day-to-day operational/service costs, with an additional \$6.5 million in capital projects. The capital improvement projects include the Roadside Bridge widening and the annual citywide street resurfacing program.

For the budget year 2021-22 the General Fund projected ending fund balance, inclusive of the American Rescue Plan Act funding is \$10.2 million, or 65% of operating expenditures and transfers. This fund balance will be used for operational needs during the upcoming fiscal year, as the economy recovers from the pandemic. It is important to note that these reserves serve as a temporary funding source for the many grants the City receives, as they come in the form of reimbursements. Additionally, the City utilizes the reserve for cash flow and emergency reserves.
