Councilmembers: I am in support of resolution No 21-1983, however I want to bring up the issue of your taking Cronies and filing criminal charges filed against them.

This is not right and you are over reaching your authority and violating the constitution of our country. Cronies has been a local restaurant and supported our community and helped during the fires. Your actions do not support the wishes of your electorate. We the People are awake and we will hold you accountable for your actions.

Please drop all charges against Cronies.

Thank you.

Sincerely,

Brandee Sisting

Greetings Councilmembers.

I'm writing on 2 issues:

First, to give my strong support to Res. 21-1983.

Second, to voice how immensely disappointed I am to find out the lawsuit against Cronies of Agoura has yet to be dropped by your council and the City of Agoura. I implore you to do this immediately.

Cronies and their owners exemplify the **BEST** we can ask for of small business owners, employers, taxpayers, and fellow community members. ***They have led by example for decades in supporting this town, our neighbors and county.*** Cronies has repeatedly given their time, facilities and profit in service and support to law enforcement, firefighters, first responders, teachers, schools, community sports teams and more.

I'm very proud of Cronies for the selfless decisions they made during these most difficult past months of Covid. They determined not to allow the families who depend on them (both employees & suppliers) to lose their jobs, their homes, ability to buy food for their children.

Each time I ate there to help keep their business alive, we were outside & distanced. Everything was cleaned to standards & all employees were wearing masks as required.

At a time when our community needs to heal and those few businesses who survived need our thanks and support, your continued lawsuit is unnecessary and vindictive. Please choose to take a higher road than this and let's move forward together.

Thank you very much.

Victoria Young

I wish to provide public comment live at tonight's (July 14) meeting of the Agoura Hills City Council.

I will access the meeting remotely via Zoom. I understand that in order to request to speak during public comment, I must click the "Raise Hand" button on the Zoom toolbar. I understand these instructions: "Speaker must be present when called to speak; staff will announce the speaker's name, as listed on Zoom, and unmute the microphone to speak (audio only). Prior to speaking, state first and last name and provide city of residence for the record. The microphone will be muted by staff when three (3) minutes have expired."

I will speak in opposition to this Agenda item:

8. Discussion to Consider the Adoption of Resolution No. 21-1983; A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AGOURA HILLS, CALIFORNIA, EXPRESSING A VOTE OF NO CONFIDENCE IN LOS ANGELES COUNTY DISTRICT ATTORNEY GEORGE GASCÓN
