COVID-19 STATUS

After many months of low transmission, LA County is seeing a surge in cases similar to last summer, and is now at the level of high community transmission. While fully vaccinated people are well protected from severe infection, there is increased evidence that a small number of fully vaccinated individuals can become infected and may be able to infect others. View the [COVID-19 Variants FAQ](#) to learn more.

COVID-19 can spread more easily indoors and in closed spaces, in crowded places, and in close contact settings. **In LA County, a face covering is required in all indoor public spaces, regardless of vaccination status.**

LA County-run vaccination sites will now be open on Sundays, expanding services to seven days a week. To view the updated schedule, visit [VaccinateLACounty.com](#).

WE ARE OPEN

Agoura Hills City Hall is currently open

Chesebro Crossing Completed

Chesebro Crossing at the 101 was completed in late June. This project enhanced the bridge over Highway 101 and added safety improvements for pedestrians, bicyclists and motorists. The overcrossing was expanded to create bike lanes and ADA-compliant (Americans with Disabilities Act) sidewalks. Local intersections were improved to enhance traffic circulation and safety.

You can view the complete video unveiling of the completed project which includes comments from Agoura Hills City Council here: <https://vimeo.com/564723374>.

Chesebro Crossing at the 101 was funded by Measures M & R. 🌱

HOUSING ELEMENT CITY OF AGOURA 2021

The City is updating the Housing Element (HE) of the Agoura Hills General Plan. The State of California requires each city and county to adequately plan to meet the housing needs of everyone in the community, and requires the city or county to adopt a housing plan (known as a Housing Element) as part of its General Plan.

A General Plan is the City's "blueprint" for how it will grow and develop, and includes seven mandatory elements: Land Use, Transportation, Conservation, Noise, Open Space, Safety and Housing.

The City's Housing Element is updated and adopted every 8 years. The changes that are made this year will be adopted through the year 2029.

As it is very important for the Housing Element to be reflective of the City, we hope you will participate in our outreach events and provide your comments to us on housing issues of concern to you.

The City hosted a Housing Element Workshop on August 4th, 2021. If you were unable to attend this workshop, the full presentation that was given is available to watch via our website at the following link: <https://bit.ly/3s7xK10>.

For more detailed information regarding the Housing Element Update please visit our dedicated Housing Element Update webpage at: <https://bit.ly/2VM3pJc>. 🌱

MEET THE AUTHOR

The City of Agoura Hills and the Friends of the Agoura Hills Library proudly present

An evening with #1 New York Times bestselling author

LEE GOLDBERG

Join us as he discusses his exhilarating new thriller "Lost Hills." This tense cop novel follows Deputy Eve Ronin through streets and neighborhoods close to the Lost Hills Sheriff's Station as she tries to solve a brutal murder. It's a deadly ordeal that will either prove her skills...or totally destroy her.

Thursday, September 30, 2021
Program begins at 6:00 p.m.

Agoura Hills Recreation and Event Center
29900 Ladyface Court, Agoura Hills, CA 91301

ALERT AH

Stay Informed

The City of Agoura Hills continues to implement a new mass notification service, **ALERT AH** to notify residents and businesses of important emergency information.

With ALERT AH, city leaders can send personal voicemail, text, email, and social media platform

messages to residents within minutes including specific information about time-sensitive or common-interest issues such as emergencies and local matters.

NOTE: Residents and businesses who signed up to receive mass notification messages under the prior notification system have had that data transferred to the ALERT AH system. To sign up or update your current information, please click on the link:
