---

Dear Gentlepeople.

I have been a 40+ year resident of this neighborhood (Agoura, Westlake, and North Ranch). Expanding these shopping centers into multiple residences would only make total for gridlock of Kansan Road/Thousand Oaks Bl. It is simply not fair for the people in this community, who have respectfully used this space for many years, to be burdened with the prospect of overuse and and abuse of our streets.

Sincerely,  
Norma J. Phillips

### **Evacuation traffic congestion made worst on Kanan!!!**

"Agoura Hills Planning Commission, City Council, please remove these 3 neighborhood shopping centers from their list of proposed housing sites now!"

Given that traffic is already a nightmare there at peak hours, we do not need a max of over 500 residential units at these locations.
