

RESIDENTIAL REFUSE & RECYCLING BIN RATES 2022

The following reflects new residential and multi-family trash and recycling bin rates effective January 1, 2021, as established by the residential solid waste agreement with G.I. Industries. These rates will remain in effect until December 31, 2022.

Large residential properties currently using bin service (3 cubic yard bin, etc) may see reduction in costs by switching to curbside service used in combination with the manure 96 gallon cart manure bin.
