

North Santa Monica Bay Watershed Community Meeting
A Program of the Safe, Clean Water Program
Funded by Measure W and the Voters of Los Angeles County

Date: Thursday, January 27, 2022

Event Time: 5:30 p.m. – 7:30 p.m.

Location: Zoom Link: <https://us06web.zoom.us/j/85961081450>

Purpose: To explore how the North Santa Monica Bay Watershed Community (which includes Agoura Hills, Calabasas, Hidden Hills, a small portion of Los Angeles City, and unincorporated Los Angeles County, Malibu, Topanga and Westlake Village) work towards safe, clean water.

Water curious?

Do you live in the Santa Monica Mountains or by the sea? Join us for the North Santa Monica Bay Watershed Community meeting to learn about opportunities to source water locally and to improve water quality. This is your opportunity to connect with city and agency staff, local non-profits, local leadership, and our community to explore how all of us envision safe, clean water in Los Angeles County.

The topics for this meeting include the following:

- Tour of the Pure Water Project with Dave Pederson, General Manager of the Las Virgenes Municipal Water District.
- Learn how you can get drought-tolerant California native and Mediterranean plants and succulents from *Growing Works*, an innovative, wholesale plant nursery established to provide job training, employment, and horticultural therapy to people with mental health challenges.
- Update on the County of Los Angeles water quality projects at Liberty Canyon in Agoura Hills.
- Discussion of water supply for Topanga Elementary.
- Updates from local cities/agencies on how they are dealing with water supply and water quality issues.
