CELEBRATING 40 YEARS...

Back on December 8, 1982, a majority of residents living in an area called Agoura voted to incorporate a 7.9 square-mile area in western Los Angeles County. Voters decided that "Agoura Hills" would be the name of this new city. The city that sits as a gateway to the Santa Monica Mountains and has a history filled with early settler stories, is turning forty years old this year.

We will be celebrating this milestone in a variety of ways that will be incorporated into our Special Events. Follow us on social media to see fun facts about Agoura Hills and learn a lot of history about our town!

Share your photos and stories of life here in Agoura Hills, and tell us what you love most about living here! We'd love to hear from you, email agourahillsrec@agourahillscity.org or message us on Facebook @AgouraHillsRec.
