CHAPTER 4: LAND USE AND DEVELOPMENT STANDARDS

Introduction

In concert with design guidelines, streetscape beautification, and other public improvements recommended for the Specific Plan area described in Chapters 5, 6, and 7, standards for new development are intended to reinforce the desired urban image in the area. These standards are also intended to improve overall aesthetic appearance and to serve as the incentive for private investment in the Specific Plan area.

This chapter focuses on regulations and standards for proposed development within the Specific Plan area. These standards are mandatory requirements that must be satisfied for all new buildings, renovations or additions. Non-conforming lots, buildings, uses, and standards shall be governed by Zoning Ordinance Chapter VII (Nonconforming Lots, Uses, Buildings and Land).

Unless otherwise noted in the Specific Plan, permit requirements are as specified in the City of Agoura Hills Zoning Ordinance. When the Plan is silent, then the Agoura Hills Zoning Ordinance requirements remain in force. Where the Specific Plan and the Zoning Ordinance are in conflict, the Specific Plan shall take precedent. Application procedures and processing requirements are provided in Chapter 9, Plan Administration.
